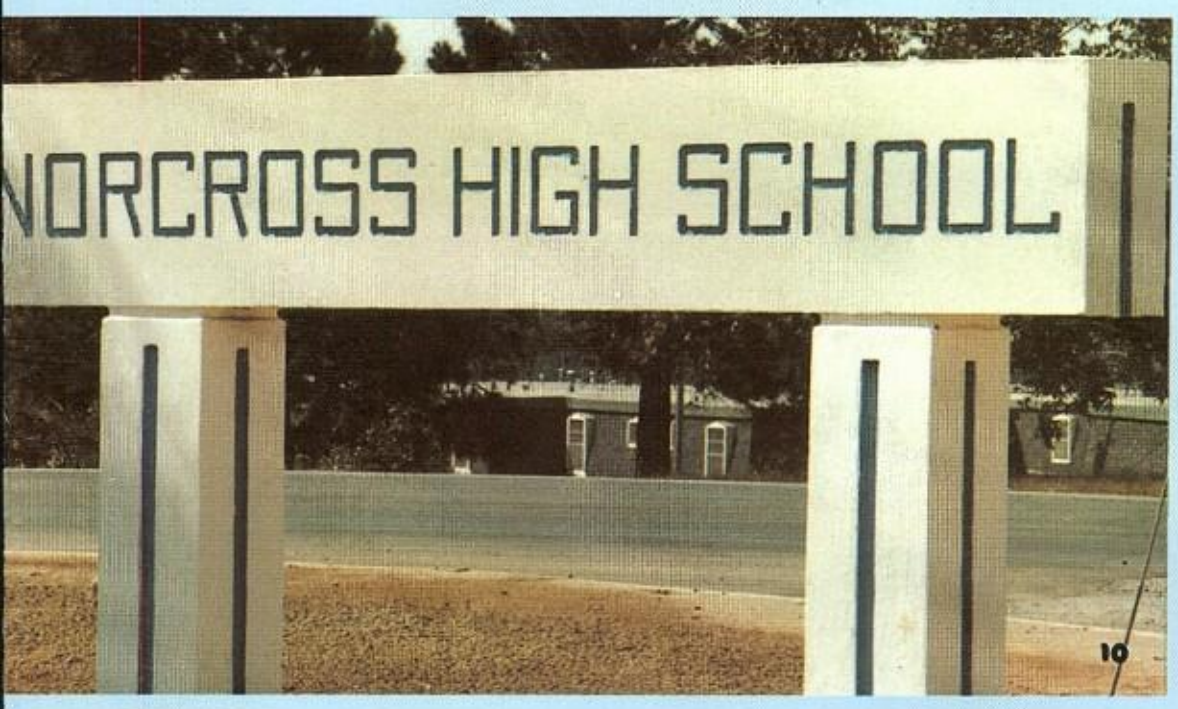
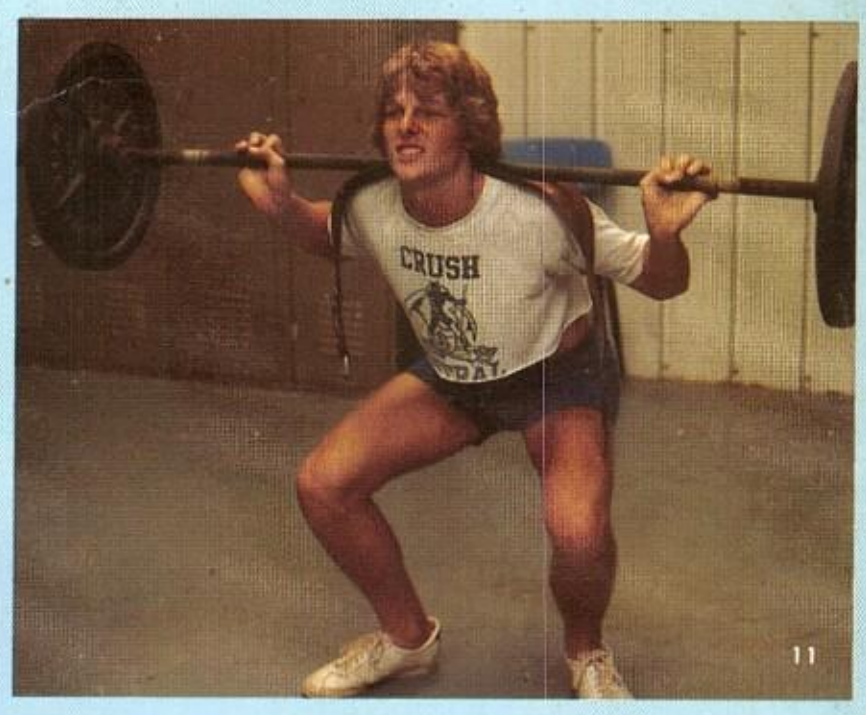
When you were younger, do you remember the fun of looking into a kaleidoscope? The mystery of the designs, colors, and movements of these tiny pieces were so fascinating. How could one little toy be so interesting and so mysterious? By using pieces of colored glass, the kaleidoscope breaks the light into fragments that reflect our school. Yet when the colored glass is all put together, it forms perfect symmetrical images. It is said that no matter how often a kaleidoscope s turned — no two patterns will ever be alike. Now turn the kaleidoscope and take a glimpse.

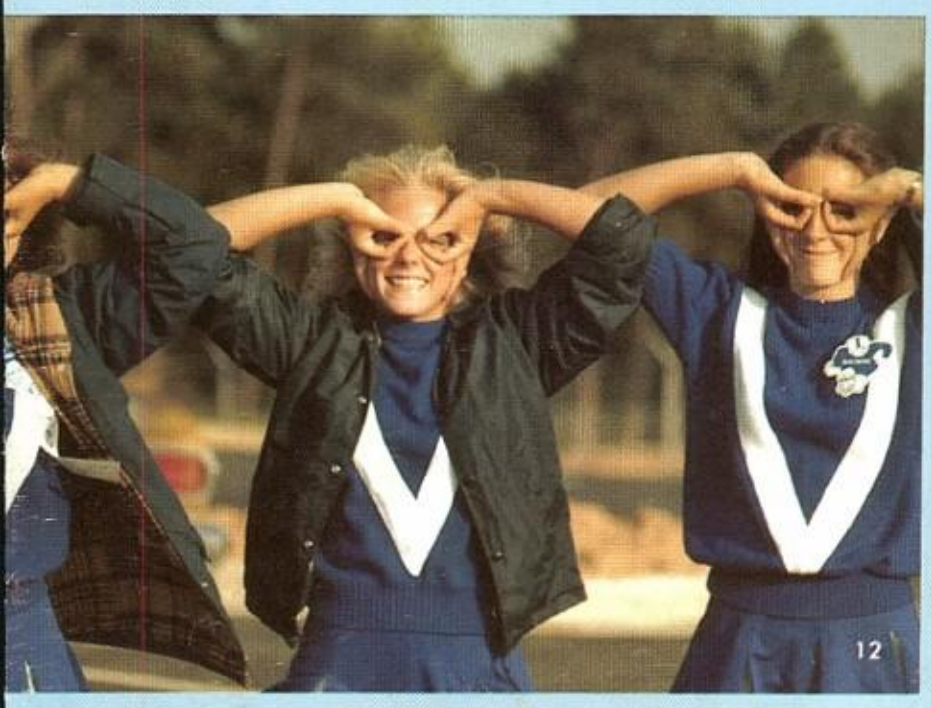
9



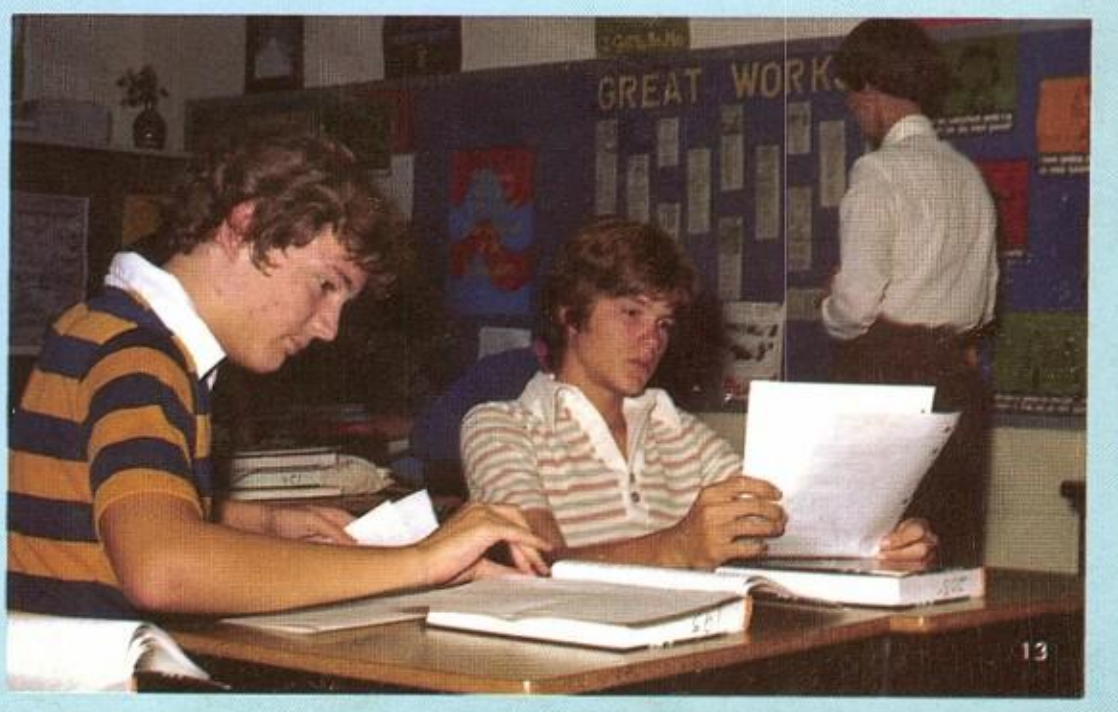
10



11

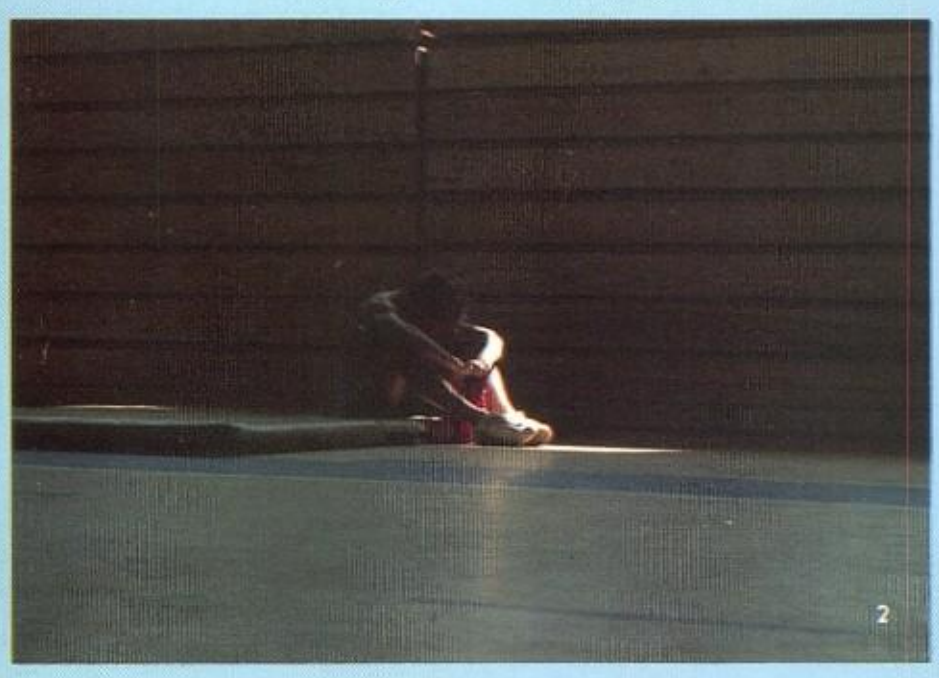


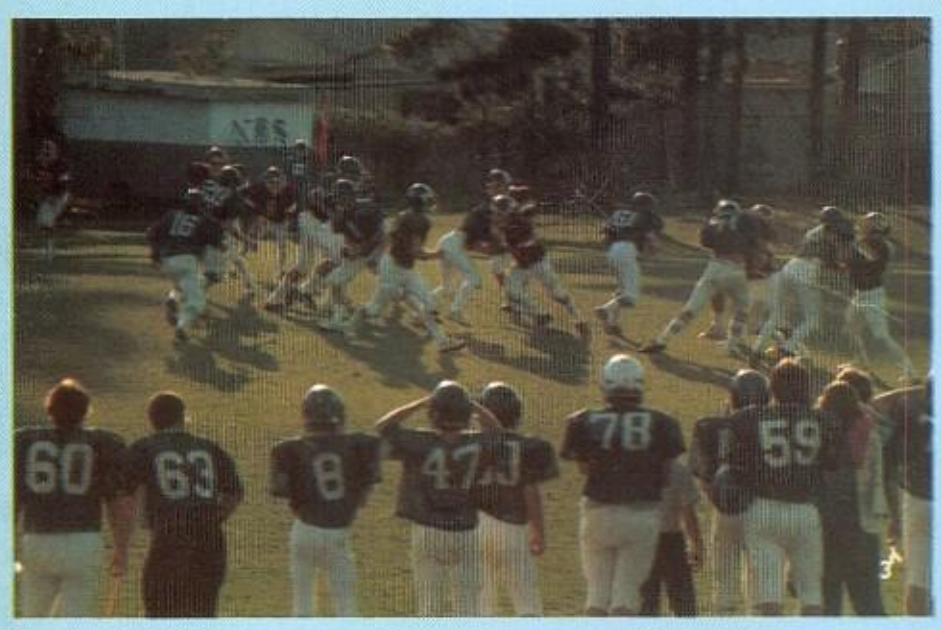
12

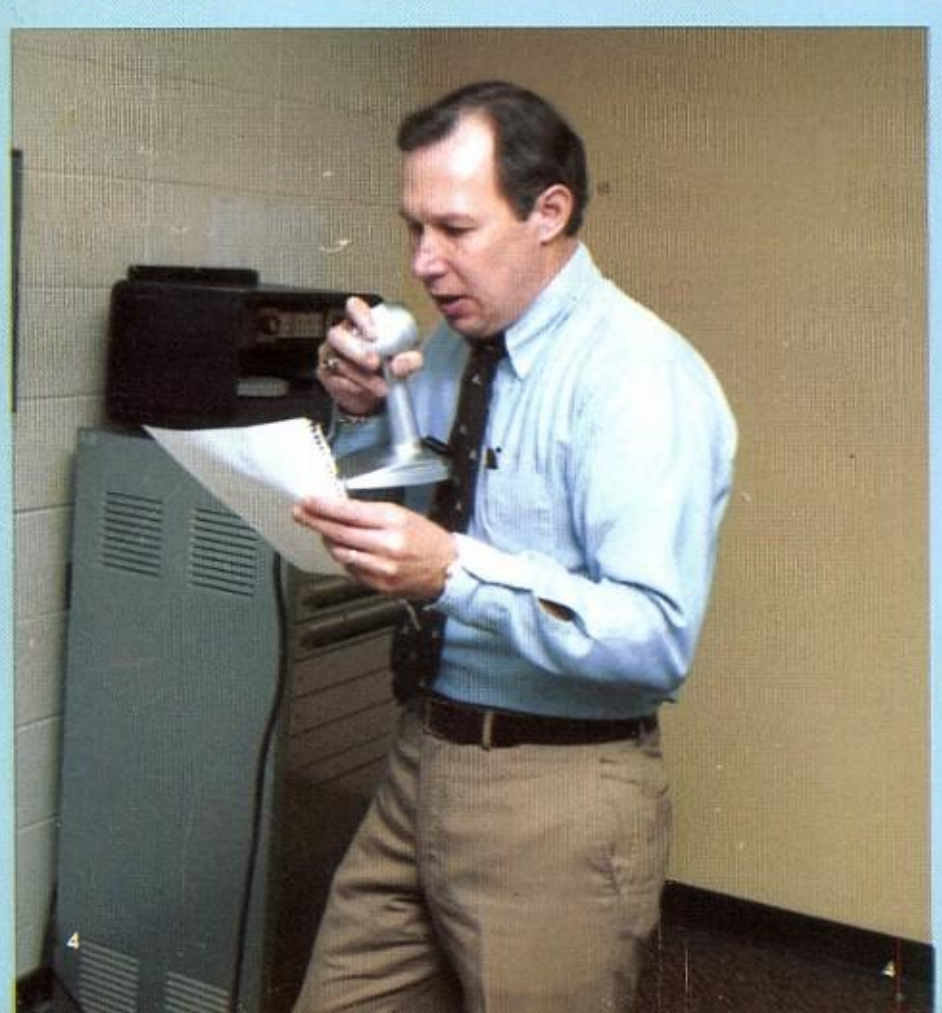


13

If a kaleidoscope is held to the light and turned slightly, new images appear. See the school in its various shapes, and designs; understand the basic concept of Norcross High School. The colors of the kaleidoscope are like the basic concepts at N.H.S. each color represents different aspects of the school: learning, sharing, laughing, and growing. With each glance everything takes on new combinations and meaning just as the school changes and grows.

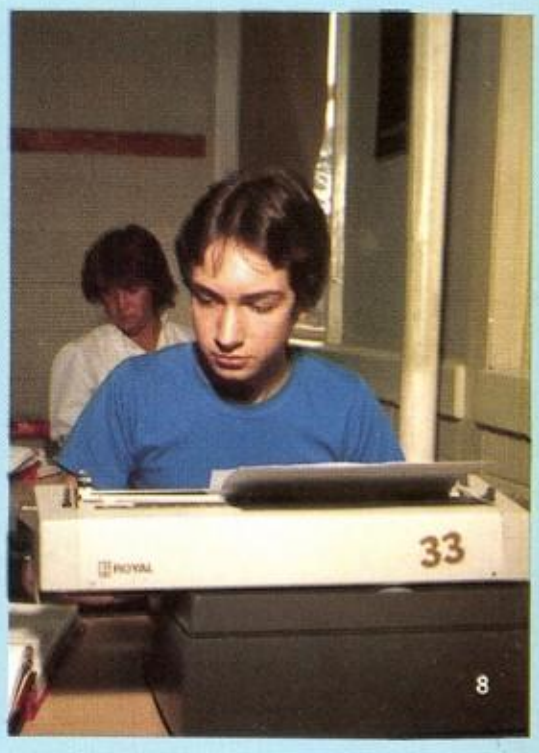


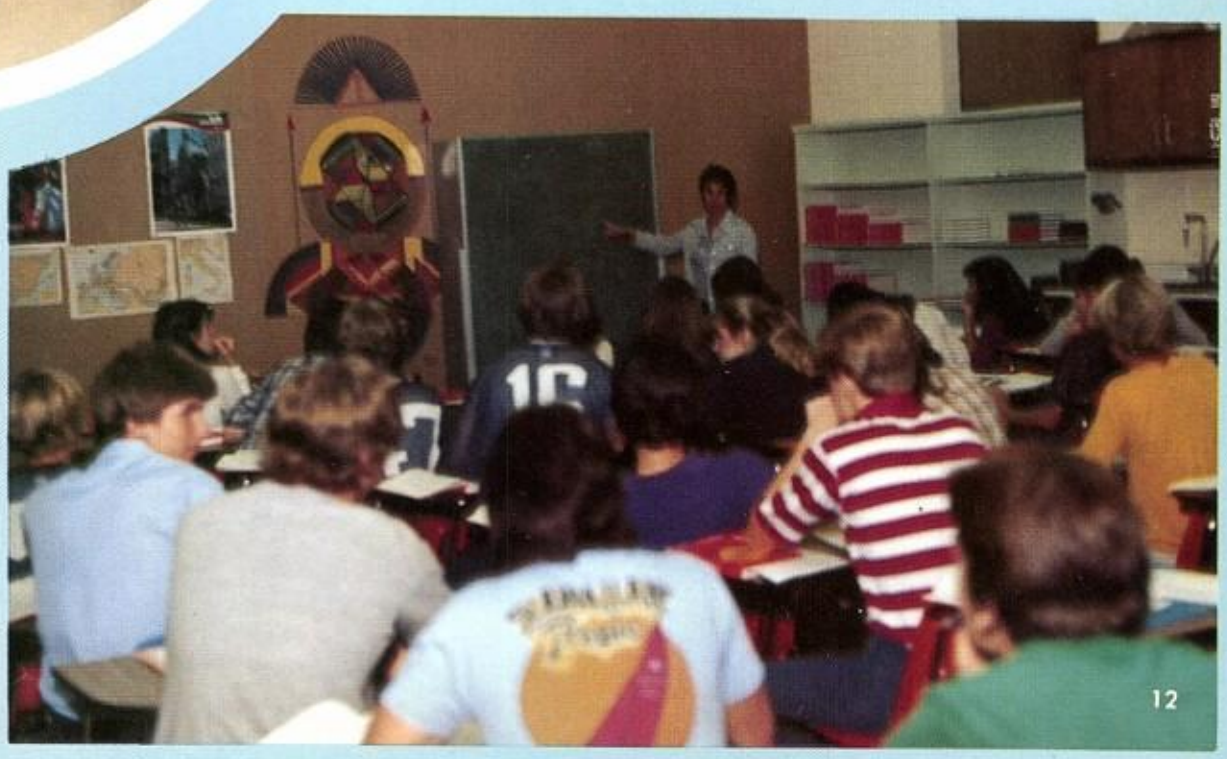




mages

1 — Ms. Flowers helps Shelley and Jill with Chemistry 1. 2 — Key Monroe sits quietly in the sun. 3 — Ninth Grade football attacks Brookwood. 5 — Danny Burns and Wes Burton fill up for today's practice. 4 — Mr. Phillips making morning announcements. 6 — Laurie, Whitney, and Paige pose for the camera. 7 — Ms. Baum works with students. 8 — Typing student works on his letters. 9 — N.H.S. Stadium after a football game? 10 — Tery Stimis listens attentively. 11 — Jennifer Reddick cheers on the Blue Devils! 12 — Ms. Terry explains Spanish to her Freshman class.

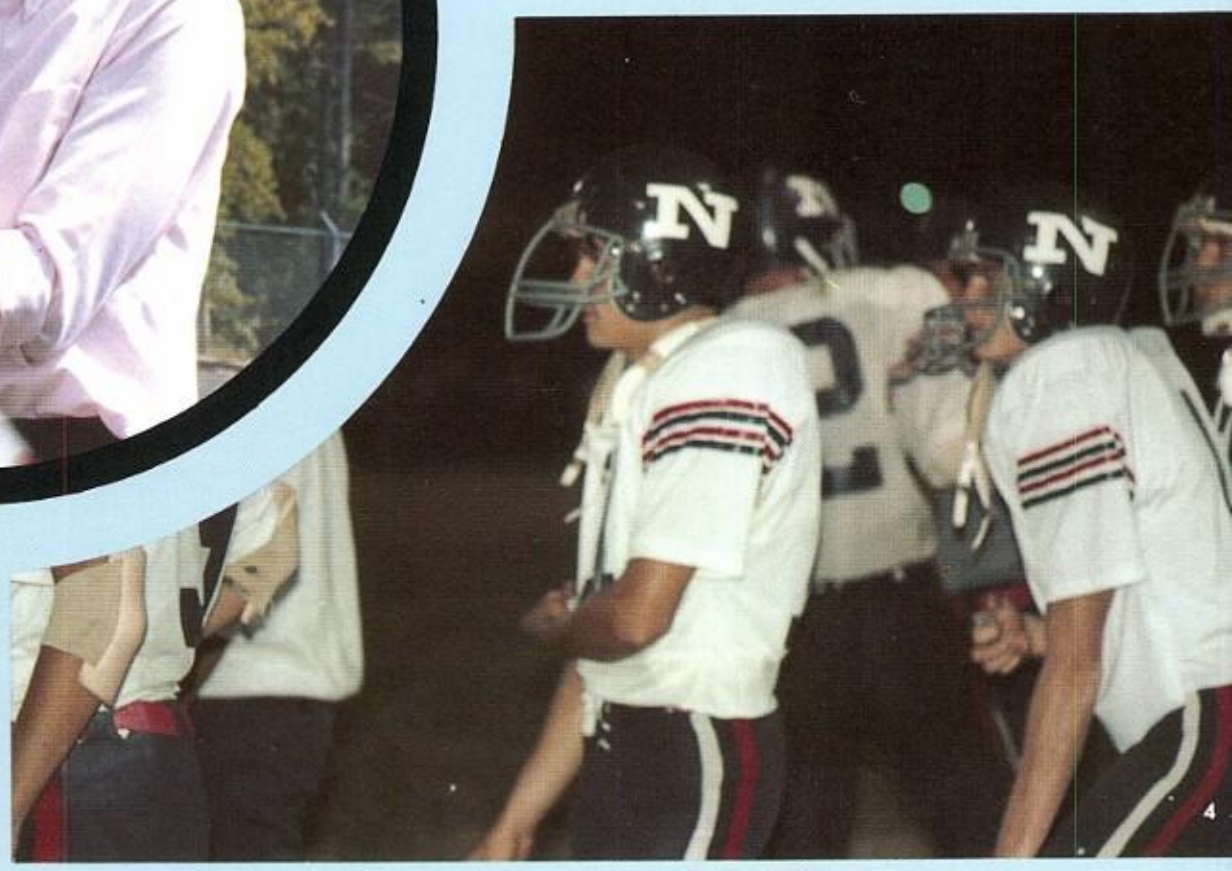


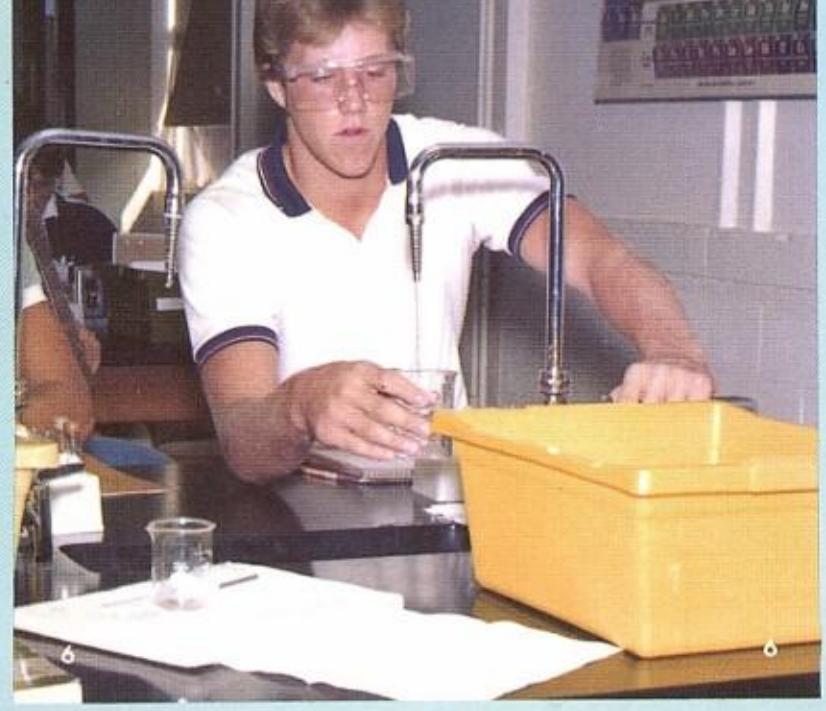


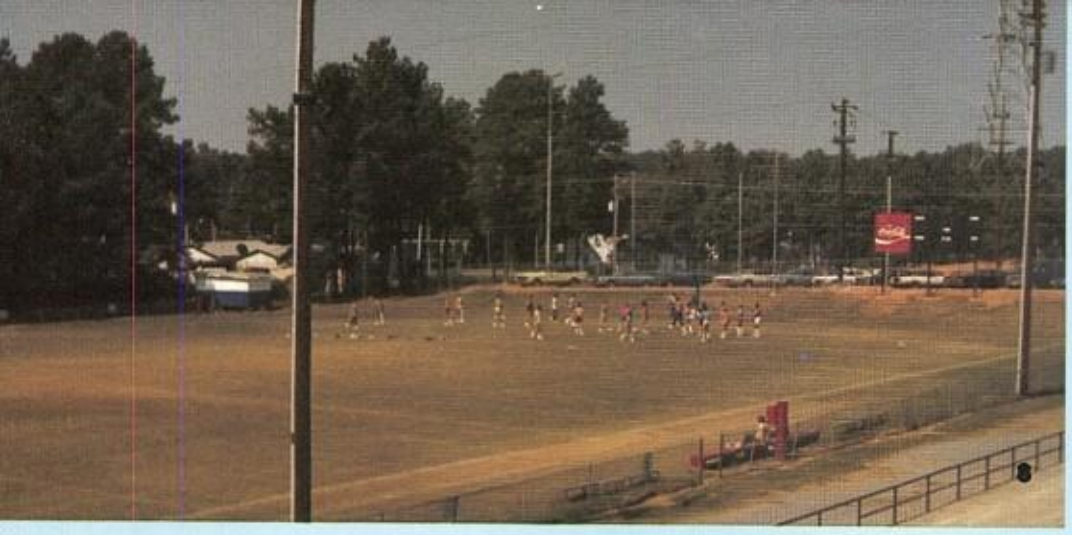
Movemen

Movement gives everything new forms and shapes. The movement of every day may seem routine, but each minute holds something new for every student at N.H.S.

Movies, pep rallies, special assemblies, yearbook day, dramatic productions, football games, The Advocate and senior skip days all add character to the school. These special days are the different ways each person can get involved with the movement of the school.







1 — Band works on halftime show. 2 — Typing classes working hard. 3 — Lisa Martin practices intensively. (circle) 4 — Mike Waites watches Defensive Attack! 5 — N.H.S. student reads a books. 6 — Taylor Lackey works on an assignment. 7 — DEVIL POWER! 8 — Coach Smith's P.E. class playing Touch football. 9 — Coach Teague discusses Driver's Education. 10 — Beth, Jennifer, Kelly and Debbi act up during lunch. 11 — Show choir working on their show. 12 — Regina Patterson ending a routine.

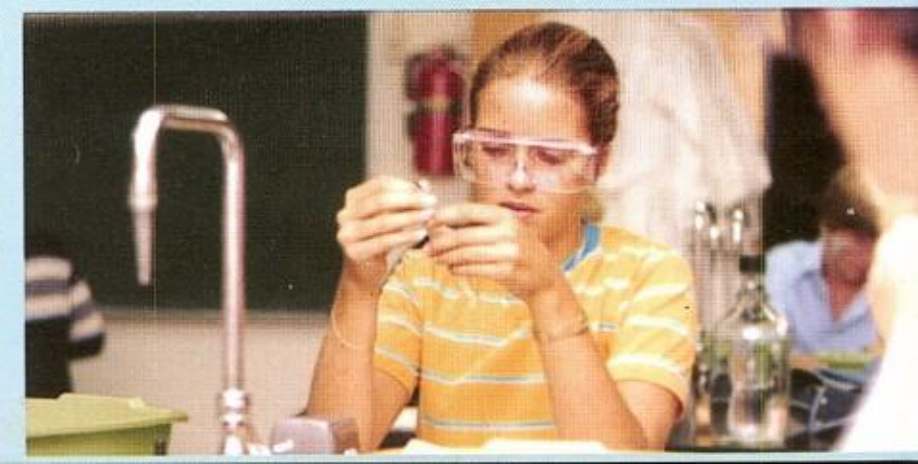
10

11

12

As the students come together to learn, the light seems to come through them and blend them together to create a unity of purpose. All the special events and experiences will stay with them the rest of their life. The reflection the school, friends and teachers give them will always be there to remember. Our school is like the glass in the kaleidoscope each reflects on the other.



Reflections

1 — Mr. Copper working hard for our school. 2 — Pam May and Kevin Rennp talking after school. 3 — Lisa McCloy day dreaming about future days. 4 — The Main office after a long day. 5 — Chris Vorphal watches for a reaction from her experiment. 6 — Jenny Wiley works for a minute timing. 7 — Mrs. McDevitt watches over her class. 8 — Coach Ranus explains our U.S. History. 9 — Mrs. Weataway going over last nights homework. Brilliant colors and new formations catch the eye of the observer. Every tiny piece of glass adds beauty to the picture. People at Norcross High School form different patterns of the school. Each person is a unique, colorful and important fragment of the color in the kaleidoscope. The patterns of the kaleidoscope could also be looked on as Pattern of every different persons lifestyles. Every style is different in its own way.

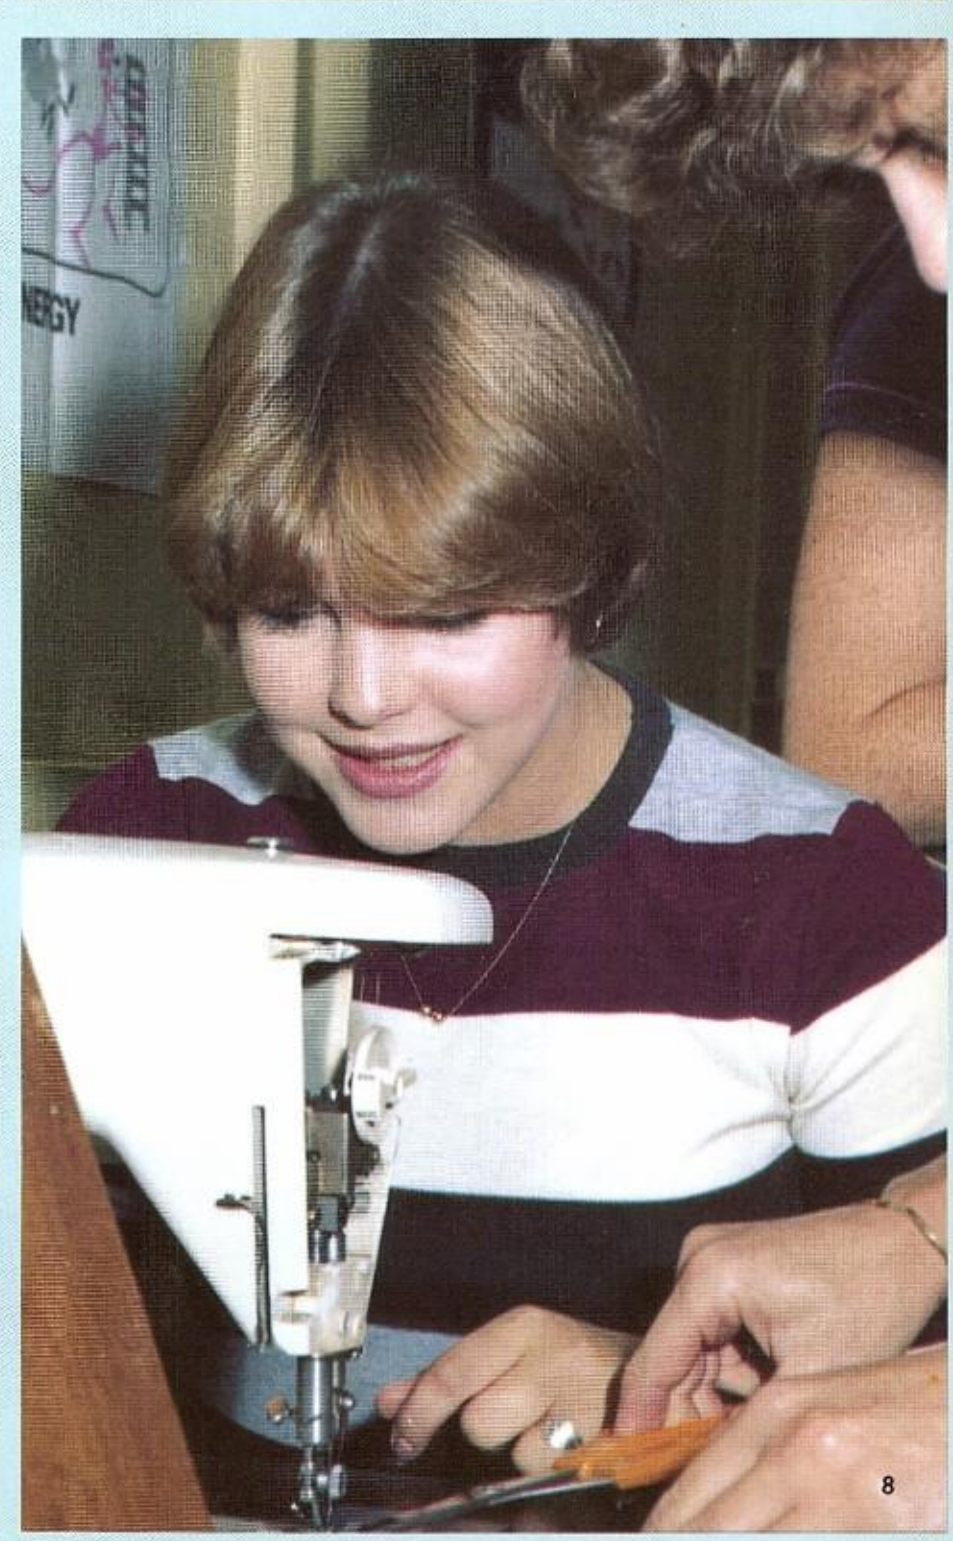
Fight Song
Oh when those N.H.S. boys fall in line,
We're gonna win this game another time,
It's for the Blue & White, we'll yell and yell
It's for the Blue & White we'll yell and yell
and yell,
So just keep up your spirit ever true,
And all the world will come and fight
for you,
We'll always come and back you up, back
you up,
N.H.S.
Hey!!



Under the glass, inside the kaleidoscope lies bits and pieces of colored glass. This array of color gives the kaleidoscope its design that remains unmatched by any invention. Every design is controlled where the pieces align. All the designs are unique because of the unending combinations of the bits and pieces. The bits and pieces of the kaleidoscope are like the bits and pieces of Norcross High. Each piece is different.

The designs of the school place marks on each of our lives. The teachers teach us part of our values and ideas. The activities we take place in teach us sportsmanship, and responsibilities. The imprints the school places on each of us, will be used throughout the rest of our lives. These designs help us all in our future lives.

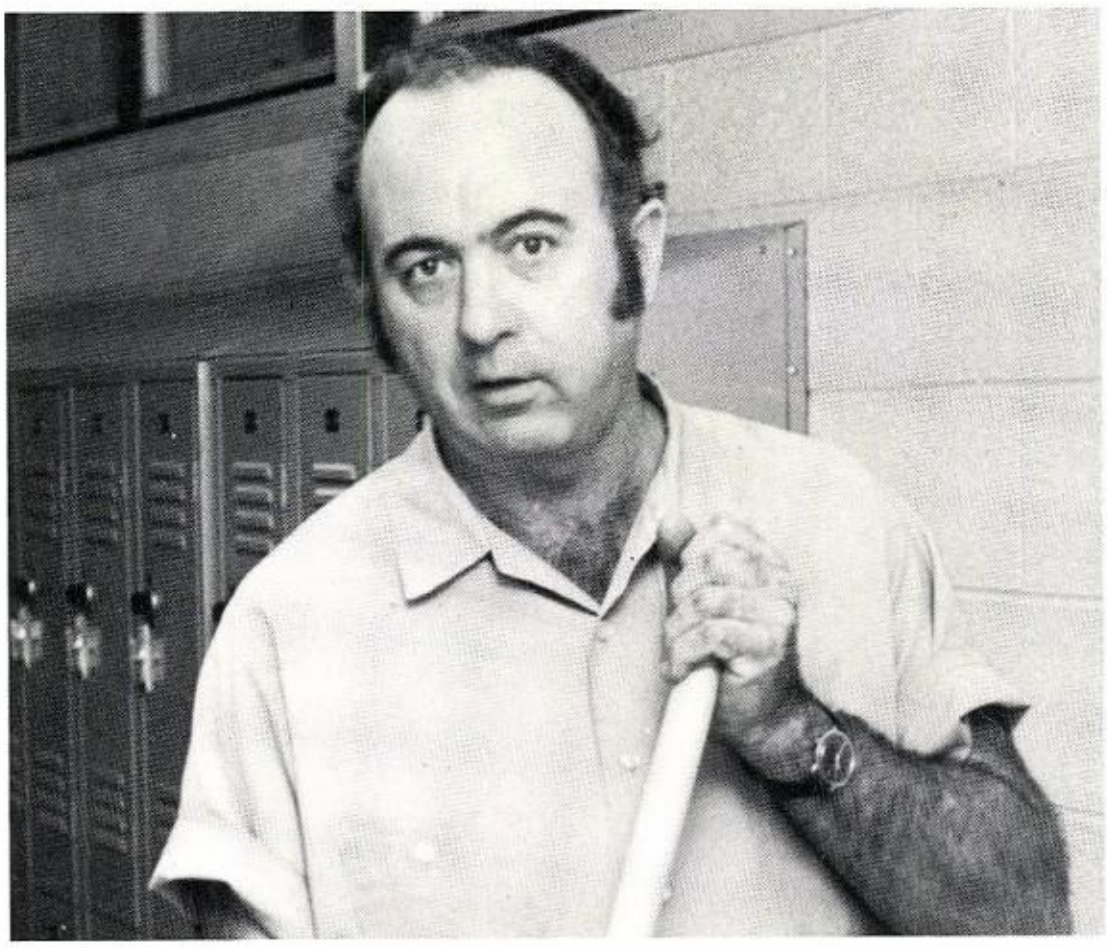
Cooks and Cleaners

Our Janitorial and Cafeteria staff play a very important part in our school of the year program. They all work very hard in keeping our school clean. Instead of hiring an outside group, Dr. Phillips hired our janitorial staff to do all the cleaning around the school. By working many long and hard hours, they did an excellent job.

Marshall Everett
Janitorial Staff Manager

Rich Breeden
Starting his day off mopping our halls.



Billy Simms
Sweeping in the halls.

Our cafeteria staff works hard every morning preparing our food. Dasiy Benson is the manager of the staff. She comes in early every morning to open up and get the others ready.

Different ladies work on different foods. Nena Brown and Dorris Westberry work on the vegetables and preparing the salad. Bernice Jones and Margie Barnetts prepare the chef salad and the sack lunches. Martha Freeman and Sandra Motes bake the cakes.

Margie Barnett
Putting up stock.

Martha Freeman

Candids

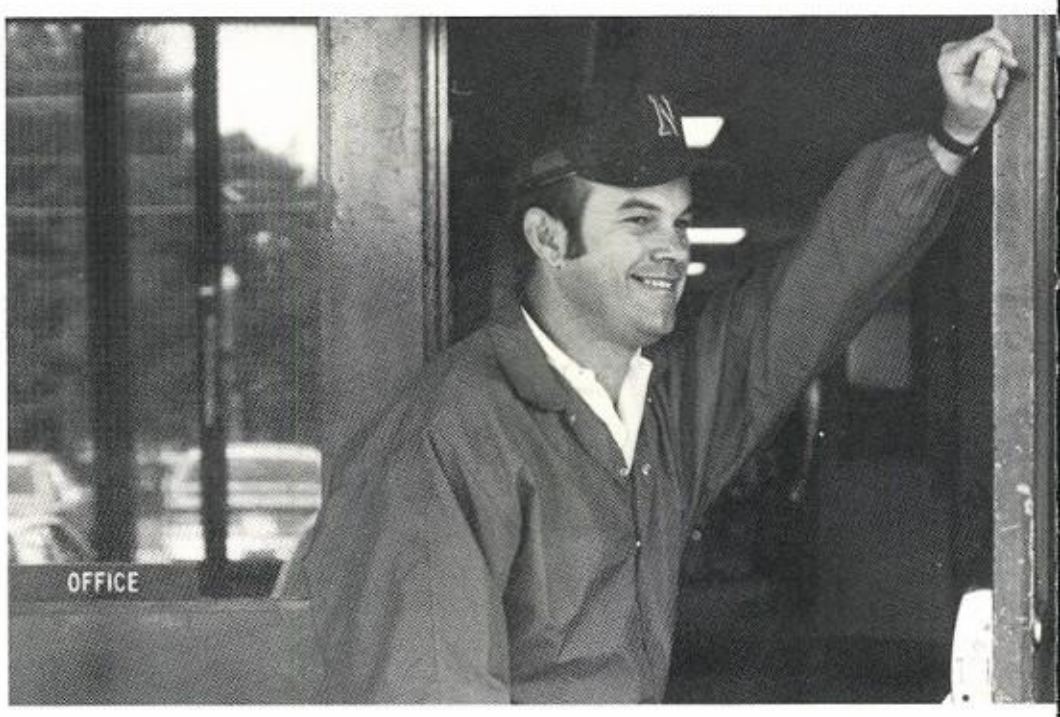
The teachers at Norcross High are always full of surprises and unusual things. We were lucky enough to get some pictures of them in their true color, when they thought that a camera was no where around. When they aren't hackling you with homework, they are usually doing what you see in these pictures.

Even the best make mistakes . . . sometimes.

Mrs. English loses her mind while working on schedules.

And this small dot right here is the city of Norcross.

And these are one of the effects of singing.



Hey baby! I know I'm a number one hunk!!

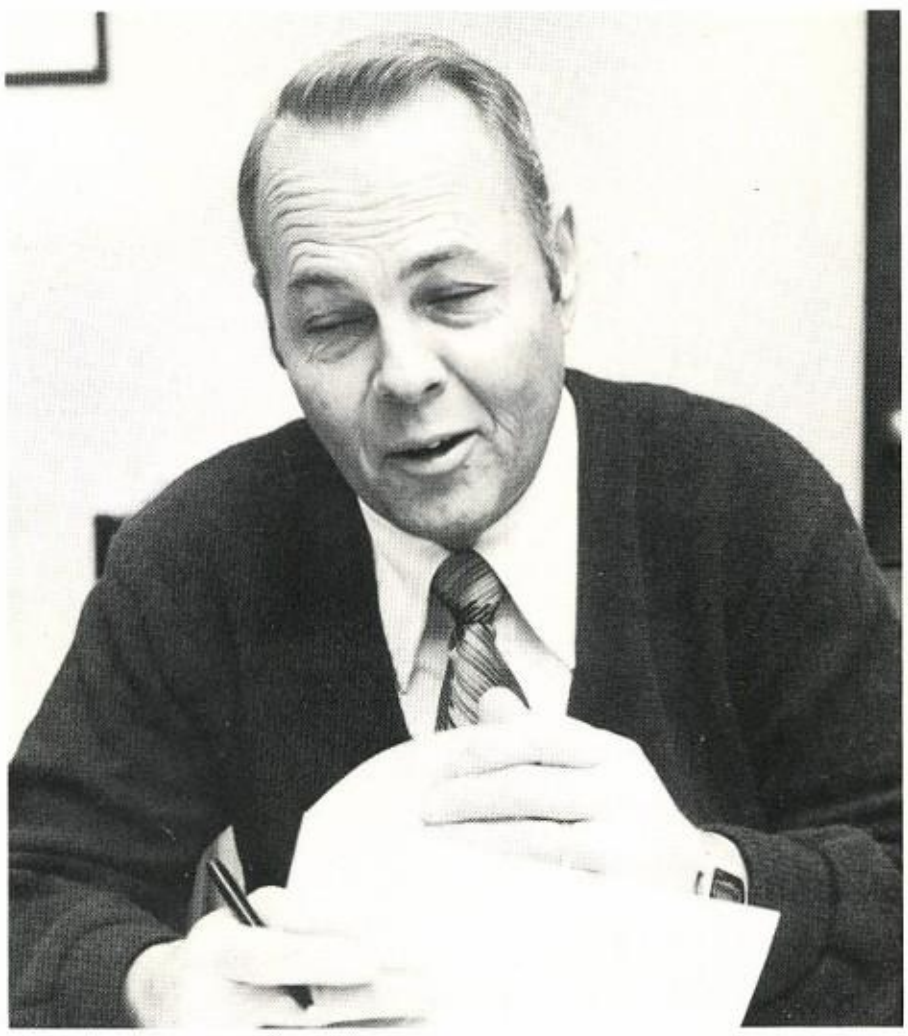
Coach Westmoreland, I like your class this much.

The Maddox epidemic strikes at NORCROSS.

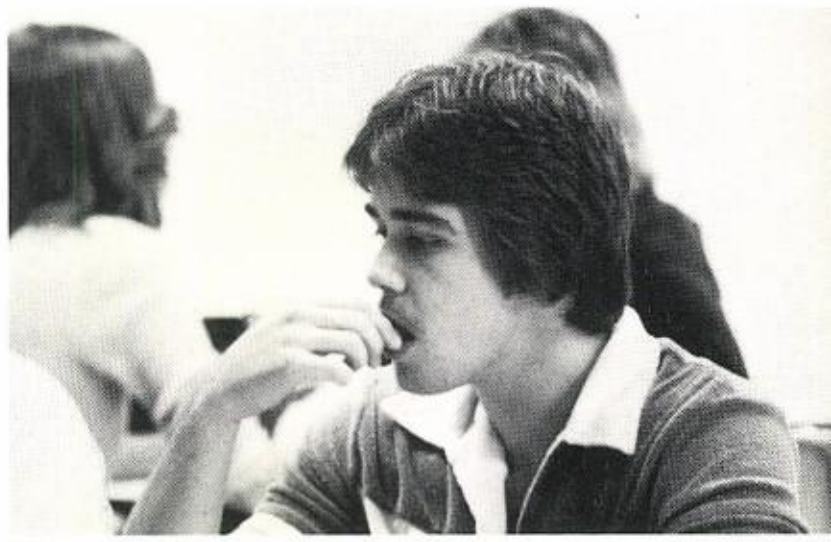
The first clue that a teacher has been working too hard.

These teachers are very special because they were caught at a very unusual time. They didn't know that these would be put in the Spectrarama and we hope that they don't mind.

Hey! I think I can help you with your problems.



OH NO! It is another fake excuse.



SENIORS

Mr. and Miss Senior Class

This year's Senior class selected two special people for Mr. and Miss Senior Class. Mr. Senior Class, Clyde Barker, was involved in many athletic activities, including football, wrestling and track, while showing his ability in the academic work at N.H.S. Clyde is known throughout the school for his million-dollar smile and personality. Miss Senior Class, Denise Gilleland, was involved in many of the school's clubs and organizations, such as Youth Against Cancer, Advocate, and Life Skills. She helped the school a great deal through her support in the Student Council. Congratulations to both Denise Gilleland and Clyde Barker.

Star Student

Norcross High School should be proud of our Star Student, Mike Woods. Like a star, Mike has many "good-points" — academically, morally, and socially.

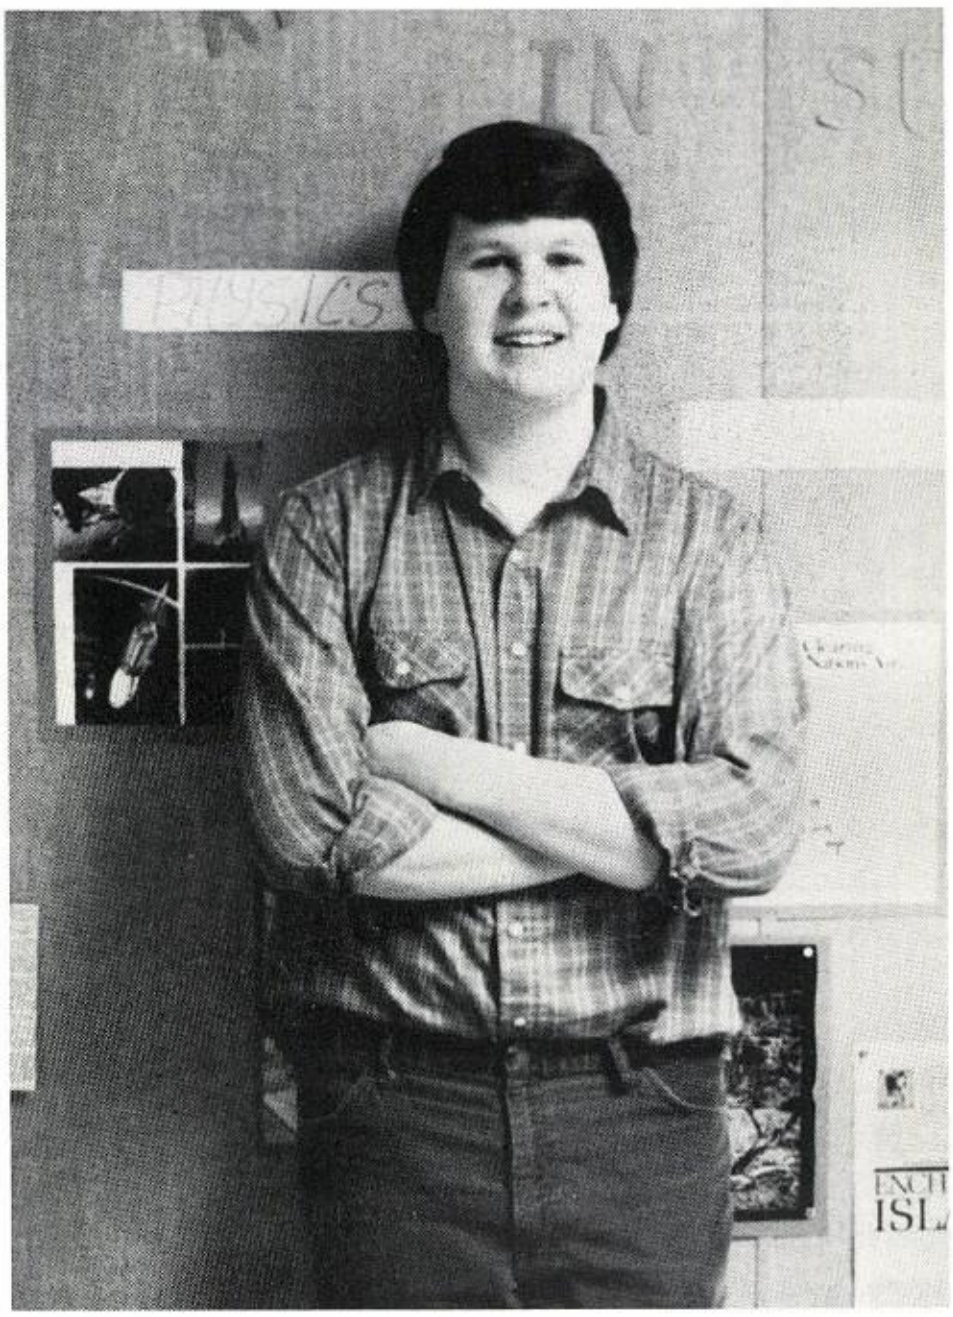
Academically, Mike is a brilliant achiever. He is a responsible student and a pleasure to teach. He is constantly searching for knowledge. His intellectual achievements have been recognized by this award and many other honors has received.

Mike holds high ideals and strong values. Dependable and trustworthy describe him. He has a high regard for what is right and does not crumble under peer pressure. This is true strength.

I think Mike's most outstanding characteristic is his concern and compassion for other people. I have never seen him treat another person with disrespect or intent to harm. His good nature affects those around him and makes their day more pleasant.

He laughs with others . . . even at himself. After all, he is entitled to a few mistakes!

Mike Woods is indeed a "star" student at Norcross High School in every way.



Mrs. Thomas is more than just a great teacher, she is a good friend. I have been fortunate enough to have her as my trigonometry and calculus teacher and also my Student Council sponsor. Mrs. Thomas takes a great burden upon herself as both the Student Council and the Debate team sponsor. Despite this burden, she is always willing to help with a problem. It never ceases to amaze me how she can manage to handle her heavy schedule and still find time to help us, not just as students but as people too.

Mrs. Thomas has helped to instill a sense of responsibility in me that I hope I will never lose. Due to her care and guidance, I believe I will leave Norcross a better person. I do not believe I could imagine a better teacher or a better friend.

The 1982 Senior Superlatives consist of 13 people that were nominated by the teachers, then elected by the seniors. These students were chosen for their outstanding characteristics as well as their involvement in extracurricular activities. Congratulations to the Senior Superlatives.

NHS COURT

Mr. and Miss NHS

This year's Mr. and Miss N.H.S. worked hard and long their years at N.H.S. Deneen was involved with cheerleading and yearbook for four years. Taylor participated in football, basketball, baseball and track. He showed great support of school activities through serving on the Student Council. Both Taylor and Deneen totally supported their school while maintaining a good academic record. Both of these seniors were respected by the students and faculty at N.H.S. Congratulations to both Deneen Johnson and Taylor Lackey.

You've Made It!

Here are just a few of our 1982 Seniors in their younger days. So long ago it seemed we would never make it through high school, but we made it. The journey was hard and long yet in the end it was worth it.

The Final Days at N.H.S.

These days at N.H.S. were fulfilling in many ways. The friends we made and the teachers we encountered stretched ourselves into mature adults. The studying, along with the good times taught us more about life and what to expect. The final days are, yet a relief to the many years of hard work, soon we will be on our way. Our senior year will always be cherished.

IT IF YOU GOT IT GIVE IT IF

A Special Dedication

Connie Caudell

This years Senior Section has been dedicated to Miss Connie Caudell. Connie was a caring, sweet, wonderful person. She always had a smile on her face and would make you laugh no matter what kind of mood you were in. She loved the beach, tennis, and most of all — people. She had more friends than anyone I know. Everyone loved her, even people she didn't really socialize with. She is deeply missed, but everyone knows she is better off where she is — in heaven and we will all be with her again.

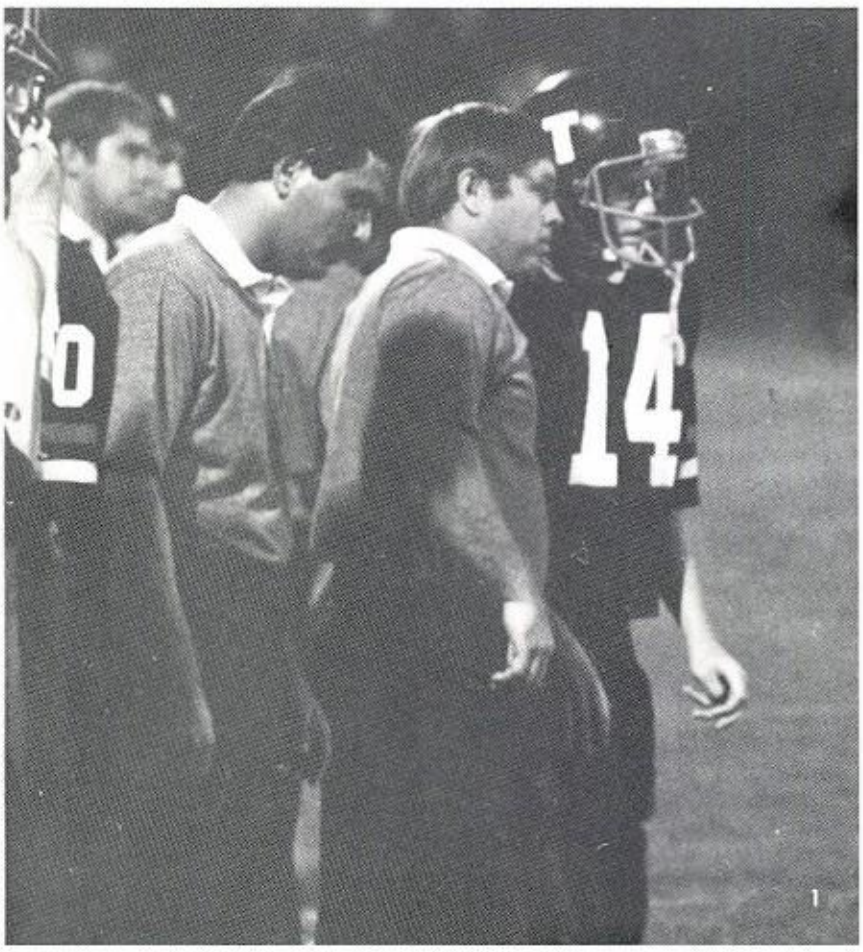
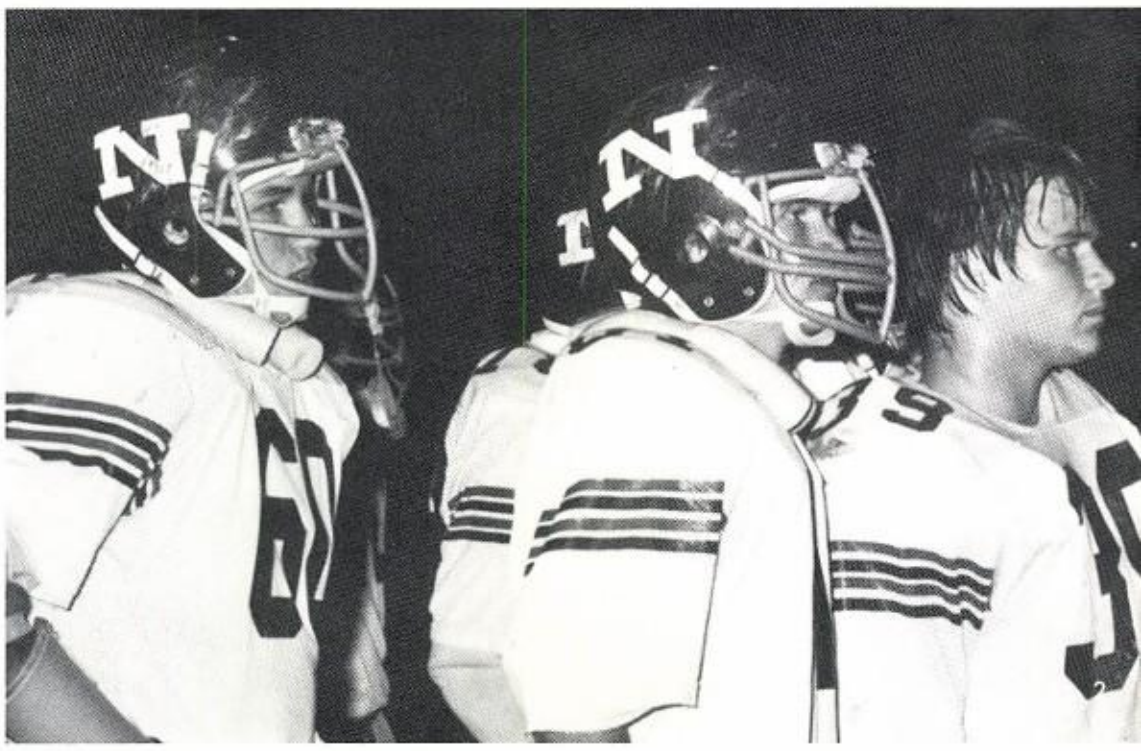
"V" Football

This year the Varsity football team proved to be a hard-working and unified group. The team's hard work proved successful as the Blue Devils had impressive victories over Duluth, Roswell, Madison County, North Hall, Winder and Etowah! The team worked hard to achieve their goals. They practiced long, hard hours for each game. The Blue Devils put their heart and soul into every game and did their part to make Norcross proud.





ST. PIUS

Norcross lost the season opener to the St. Pius Lions, 7-0. At the beginning kick-off it looked as if the Blue Devils would have the perfect setting for their 1981 Football Season. The Devil defense held the Lion's to one first down in the opening series. After receiving the ensuing punt, Norcross' offensive unit drove the ball to the Lion's 5 yard line, only to fumble. The rest of the game was filled with mistakes, turnovers, and penalties. The closest the Devils got to scoring was the Lion 20 yard line in the final minutes of play. Leading the offense was Taylor Lackey, who caught 8 passes for 92 yards. The defensive unit was led by Scott Teague. The entire defense did a good job of holding the Lions when necessary.

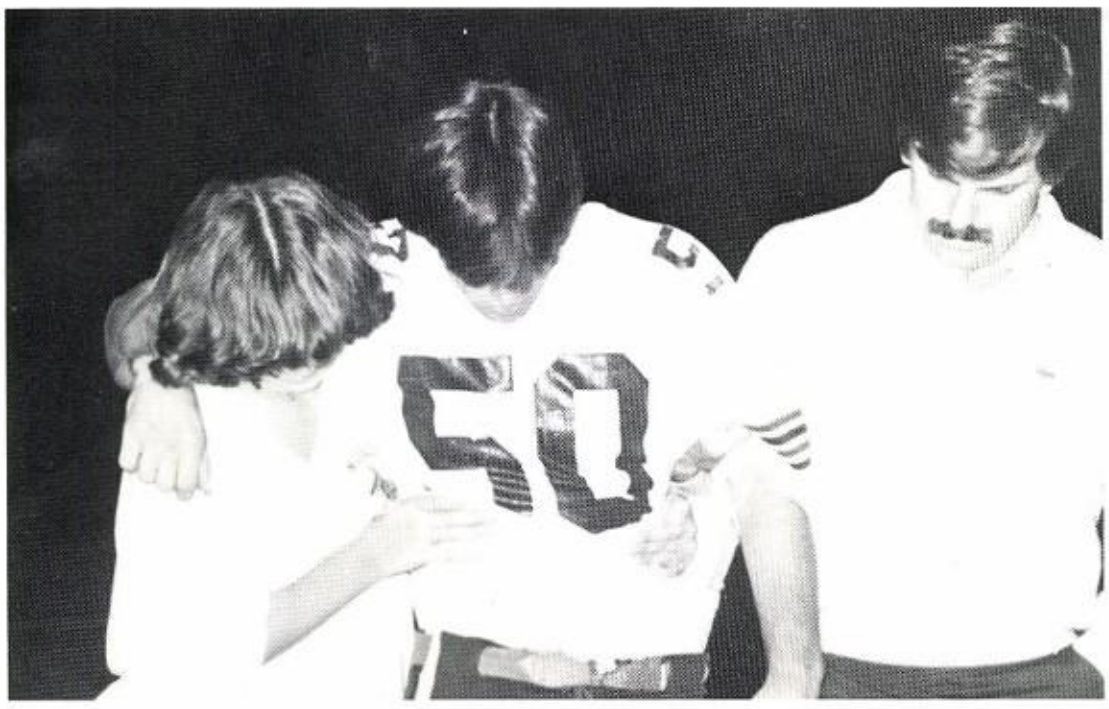
PARKVIEW

The Blue Devils traveled to Parkview for their second game of the season, but lost to the "Possums," 10-3. The Devil offense failed to mount a successful drive, despite the fact that Shelley Poole gained 77 yards rushing and Michael Harris caught 3 passes for 53 yards. Blake Beeson held the Devils together with his leadership on the drive. The offensive unit outgained the "Possums" in over all yardage, 208-197, but the only time the Devils scored was a 19 yard field goal by Hyncho Kang in the fourth quarter. The Devil defense was led by Robbie Renno with 7 tackles. The defense held the "Possums" to short yardage all night.

1 — Pat Godwin and Coach Pridgen discuss plays. 2 — Alan, Donnie, and Joe watch devils defense. 3 — Shelly Poole goes for a first down. 4 — Devils resting before a game. 5 — Lackey and Gilbert win the toss. 6 — Here comes the Devils! 7 — Everybody needs a little help now and then.

DULUTH

The Blue Devils won their first game of the season, 34-14, while hosting the Duluth "Wild cats." The Devils took charge of the first half by scoring 3 touchdowns in the first half. Shelley Poole scored all 3 touchdowns. Poole also gained 93 yards to help the Devils in their victory. In the second half of play the Devils scored twice on long runs by Morris Harris. The defense met the challenge of the "Wildcats" throughout the game. Mike Worthy took charge of the defense with 11 tackles.



ROSWELL

The Devils defeated a strong Roswell "Hornet" team, 34-12, for their second win of the season. The "Blue Machine" played its finest game both offensively and defensively since the season started. After the "Hornets" first touchdown, Elbert Manning returned the kick-off 92 yards for a touchdown. Manning also gathered a total of 146 yards rushing and 2 more touchdowns during the game. Sheeley Poole scored 2 touchdowns and rushed for 112 yards. Joe Gilbert also scored for the Devils on a 5 yard dive play. The defense got off to a slow start by allowing the "Hornets" 2 touchdowns in the first half, but they pulled themselves together to hold them scoreless in the second half. Blake Beeson and Chip Johnson intercepted 2 "Hornet" passes, to stop the "Hornet's" scoring attempts. Robbie Renno and Tim O'Malley led the defense with 8 and 7 tackles respectively.

1 — The Seniors do their thing! 2 — Devil defensive backs. 3 — The Devil's helpers. 4 — 1981 Blue Devils. 5 — 1981 Senior Devils. 6 — Devils offensive backfield. 7 — Devils defensive line. 8 — Devils offensive line.

Football 81

The football team of 1981 has done an excellent job this year. The school can be proud of a 6-4 season as it looks forward to an even better season next year. The Blue Devils all improved as the year went on. The team grew closer together and learned to depend on each other.

MADISON COUNTY

The Blue Machine traveled to Madison County to play their fifth game of the season and easily defeated the Red Raiders, 21-7. Tim O'Malley, a first time starter at quarterback, led the offense to their first touchdown of the evening. Elbert Manning had three touchdowns. Shelley Poole rushed for 121 yards and scored on a two point conversion play. Hyncho Kang kicked one P.A.T. for the other score. Taylor Lackey caught 6 passes during the game, 4 from Elbert Manning and 2 crucial interceptions. Blake Beeson did a fine job on the defensive line and helped tremendously on the offensive and defensive fronts. Casey Dunn, Robbie Renno, and Billy Wallace led the defense with tackles.

GAINESVILLE

After two weeks of preparation for their first sub-region game, the Devils met the Gainesville Red Elephants only to lose, 17-10. The Elephants scored 17 points early in the game and the Devils could not recover, although they outplayed the Red Elephants in the second half. Shelley Poole was injured early in the first quarter and left the game. Elbert Manning moved to Poole's position and Tim O'Malley to quarterback. Manning led the rushing with 99 yards for the Devils. Taylor Lackey led receivers with 4 receptions for a total of 48 yards. The defense did an excellent job of recovering after the Elephants scored. They recovered 4 Gainesville fumbles, to set up the only T.D. of the evening. Mike Worthy and Casey Dunn led the defense.

Devils in Action

The 1981 Blue Devil Football Season has proved to be a winning one. A winning season in more ways than one, as Norcross is proud to have five players make the All-County Team. These players are Tim O'Malley, Elbert Manning, Blake Beeson, Scott Teague, and Taylor Lackey. This is the most Norcross has ever had on the All-County Team. CONGRATULATIONS!!

WINDER

The Devils defeated the Winder "Bulldogs," 14-6, with Shelley Poole back in action. Poole gained 93 yards. Despite an injury early in the game quarterback Tim O'Malley completed 6-9 passes for 91 yards, including 1, 21 yard touchdown pass to Morris Harris. O'Malley scored on a yard run in the third quarter. Mike Harris caught 3 passes for 57 yards. Scott Teague led the defense with 9 tackles; blocked an extra point and a field goal, caused a fumble and recovered a fumble.

ETOWAH

Norcross defeated Etowah in their last game of the season, and got their second "SHUT-OUT!", 18-0. Early in the game Robbie Renno intercepted an "Eagle" pass to set up a touchdown. Tim O'Malley then hit Michael Harris with a 21 yard pass for the touchdown. The offense did not score again until late in the second half, Shelley Poole took a pitch-out around the right side for a touchdown. Tim O'Malley also scored on a 35 yard run. The defense did a good job of being in the right place at the right time. Robbie Renno intercepted a pass, and Mike Worthy recovered a fumble and O'Malley also intercepted a pass. This concluded the Blue Devil 1981 Football Season and gave them a 6-4 record.

CENTRAL

Central defeated Norcross, 24-14, even though the Devils won the battle of statistics. Tim O'Malley once again started at quarterback and alternated with Elbert Manning. Both quarterbacks had a tremendously good passing game, O'Malley completed 10-13, while Manning completed 5-12. On the receiving end, Taylor Lackey and Michael Harris with 7 and 5 receptions respectively. Manning led the rushers with 77 yards and Morris Harris scored on a 21 yard reverse play. Taylor Lackey scored on a short pass for the second touchdown while Manning scored on a 2 point conversion play. Even though Mike Scarbrough and Shelley Poole were out of the offensive line up, Norcross fared well against the "Knight" defense. The Devil defense also took a big blow at the start of the game, when starting linebacker Robbie Renno was injured on the opening kick-off. Casey Dunn and Billy Wallace soon met the challenge of leadership. Dunn had a key quarterback-sack in the fourth quarter. Wallace was also all over the offensive backs all night.

NORTH HALL

Norcross defeated its Homecoming opponent North Hall, 28-0, as Regina Patterson reigned as Homecoming Queen. The defense was at their best as they got their first "SHUT-OUT!" of the season. Offensively the Devils were at their tops, too. Elbert Manning scored 3 touchdowns, including the opening kick-off for a 90 yard touchdown. The Devils racked up 205 yards passing with Tim O'Malley completing 8-10. Morris Harris also scored on a 67 yard run. The defensive unit did a good job of holding the "Trojans" scoreless. Casey Dunn had a good night by recovering a fumble and sacking the quarterback twice.

Both the B-Team and Ninth grade football teams had a year of rebuilding and getting to know the program and coaches here at Norcross. The B-Team had a good season, they played up to their capabilities. They had a record of 3-4, while the Ninth Grade did a fine job, even though their record does not show it, the record was 1-6.

"V" Cheerleaders

This year, the students at Norcross can be proud of a superior cheerleading squad. This squad, composed of 11th and 12th graders attended the University of Georgia N.C.A. Cheerleading Camp. They received superior ratings and were voted one of the top six squads for their cheerleading ability and enthusiasm. This year's varsity squad did an excellent job of promoting school spirit.

B Team Cheerleaders

This year the B-team Cheerleaders proved to be a very successful squad. While attending NCA Cheerleading Camp at the Univ. of Ga., these girls were the first B-team to receive all superiors. Their hard work and dedication has shown through as they support and not only the sports program.

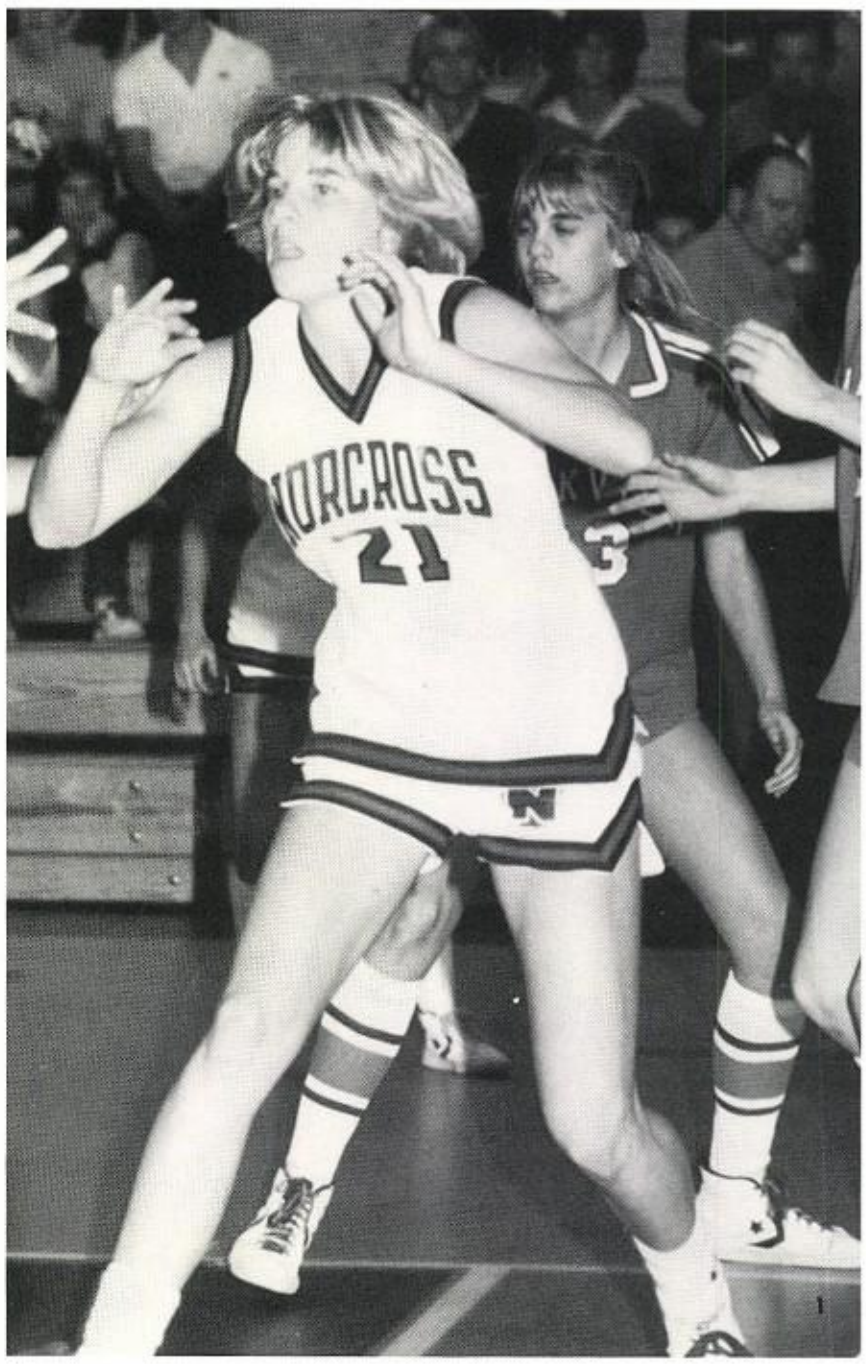
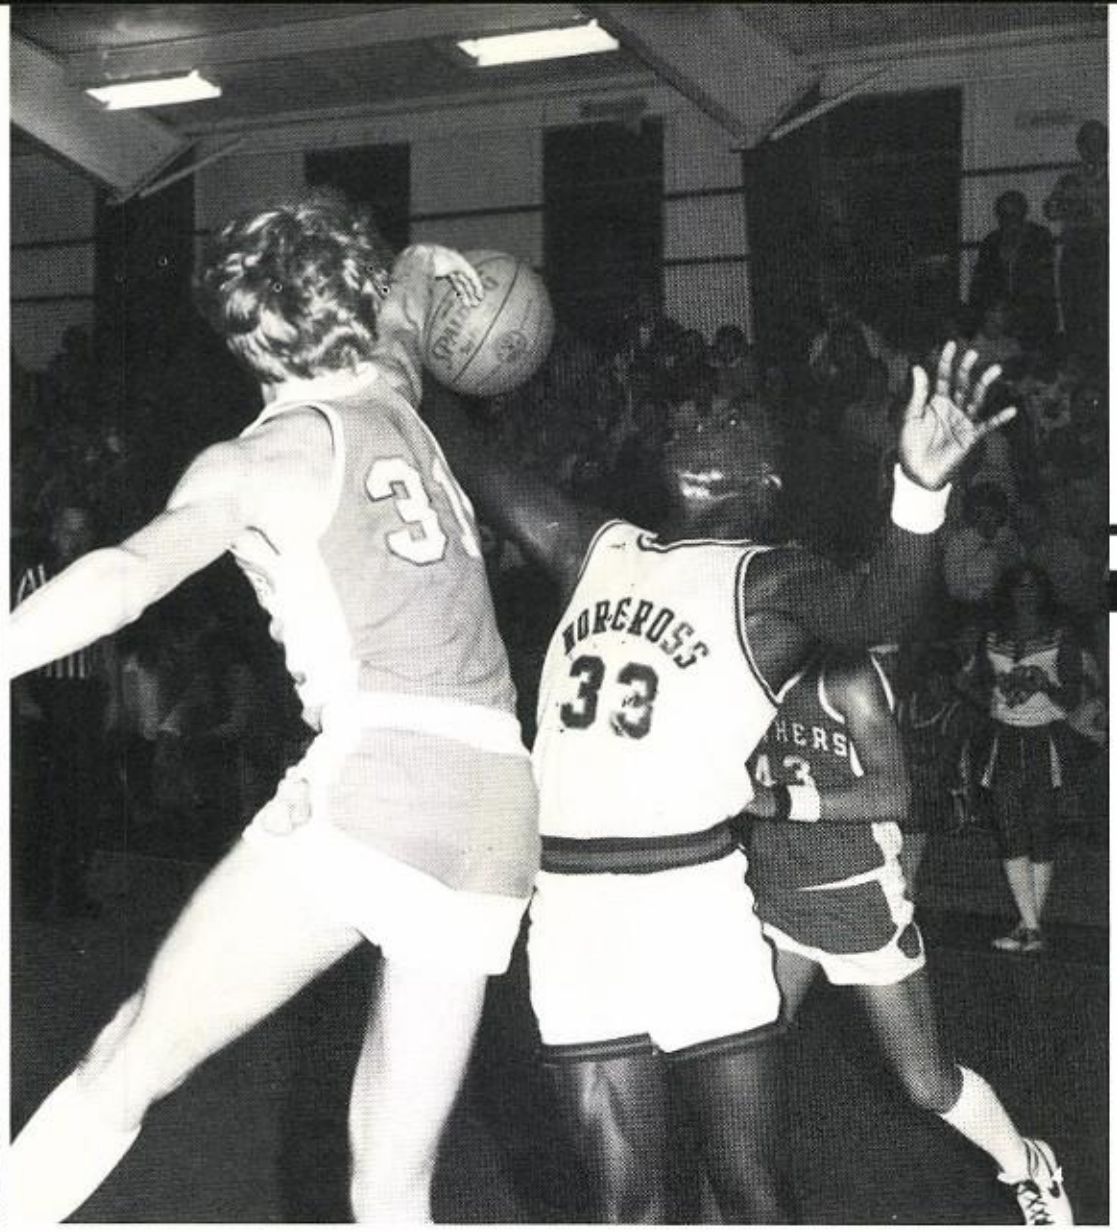
DEVILS DO IT

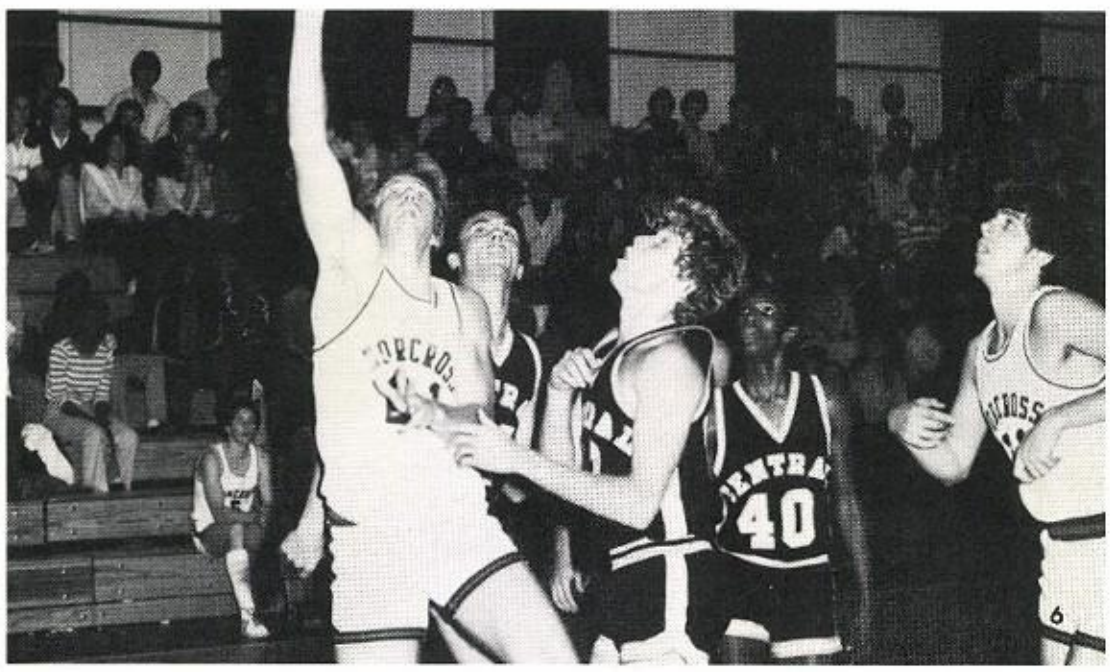
The 1981-1982 Girls basketball team had a challenging season. This year the girls put forth one of their best efforts yet. The team had many players that returned from last year. The old players combined with the new, and made a team that showed great teamwork and improvement. Coach Teague spent time and hard work to develop the girls' skills and it showed throughout the season.



The Varsity Girls had their first victory against Dacula with a score of 53-47. Leigh-Ann Davis was the leading scorer with 14 points. Laurie Walker had 11 points and Leigh-Ann Cobb had 10. All the girls played a very good game.

Once again the girls defeated another team, Duluth. The Devils blew by the Wildcats with a score of 70-44. Jill Johnson, leading scorer for the night, scored 15 points. Laurie Walker and Leigh-Ann Cobb, two other high scorers, made 14 and 13 points respectively.





1 — Laurie Walker gets rid of the ball. 2 — Laurie Walker goes for a fast break against the Possums. 3 — Leigh Ann Cobb takes care of the rebounds. 4 — Rug makes a battles at the boards. 5 — Tim O'Malley reaches high for the jump ball. 6 — Taylor Lackey puts one in from underneath. 7 — Mike Senf makes a shot despite the Parkview defense.

The Blue Devils pulled off their first victory against Ducula on December 8, 1981 by a score of 69-57. Everyone did an outstanding job. Taylor Lackey was the leading scorer with 19 points and 13 rebounds. Sterling Durrett followed with 12 points, and Elbert Manning with 11 rebounds.

Norcross came through again the following game, with 79-68 win over North Hall. Although the game was close, the Devils ultimately pulled away. The leading scorer was Elbert Manning with 20 points, 11 rebounds. Taylor Lackey, the next highest scorer had 16 points. Jeff Henderson played an excellent game and scored 14 points.

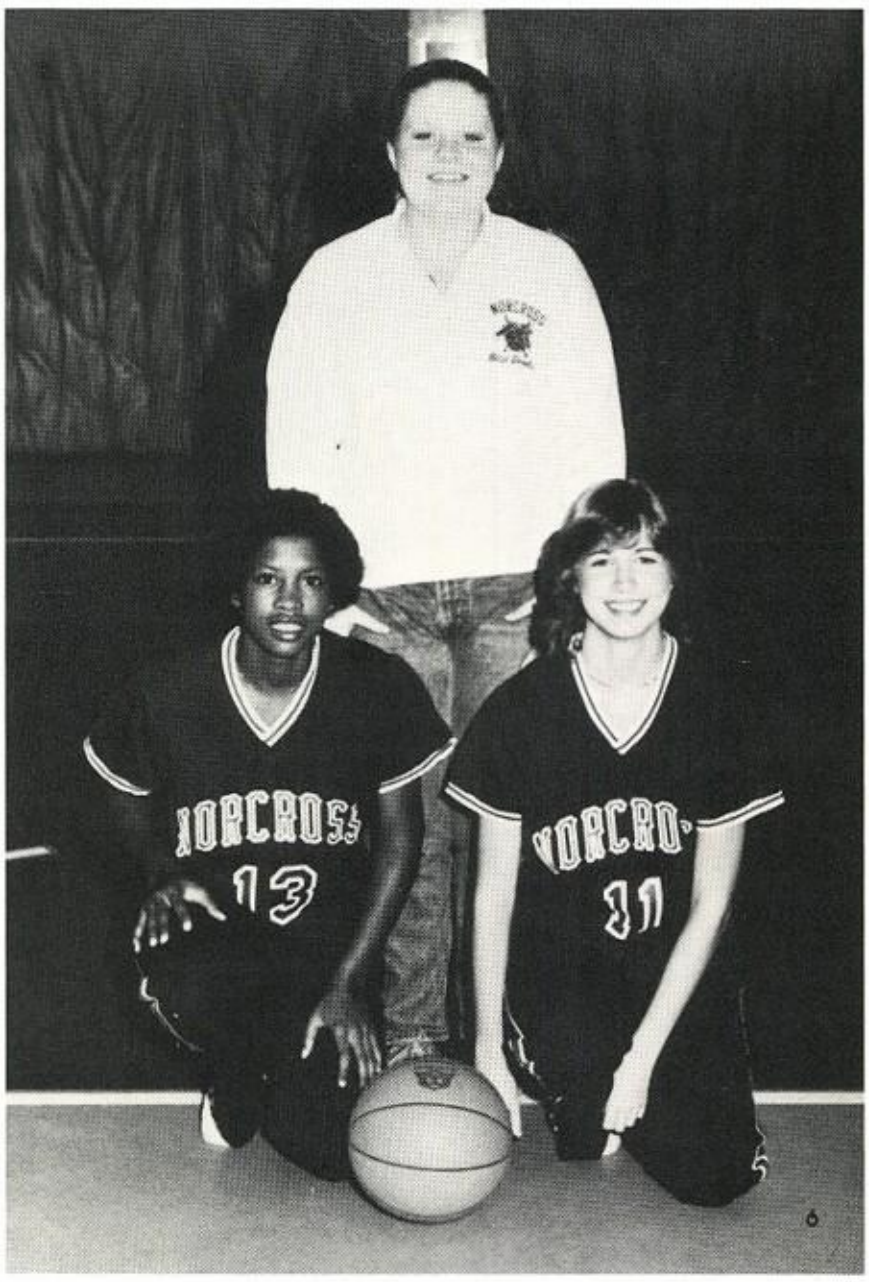
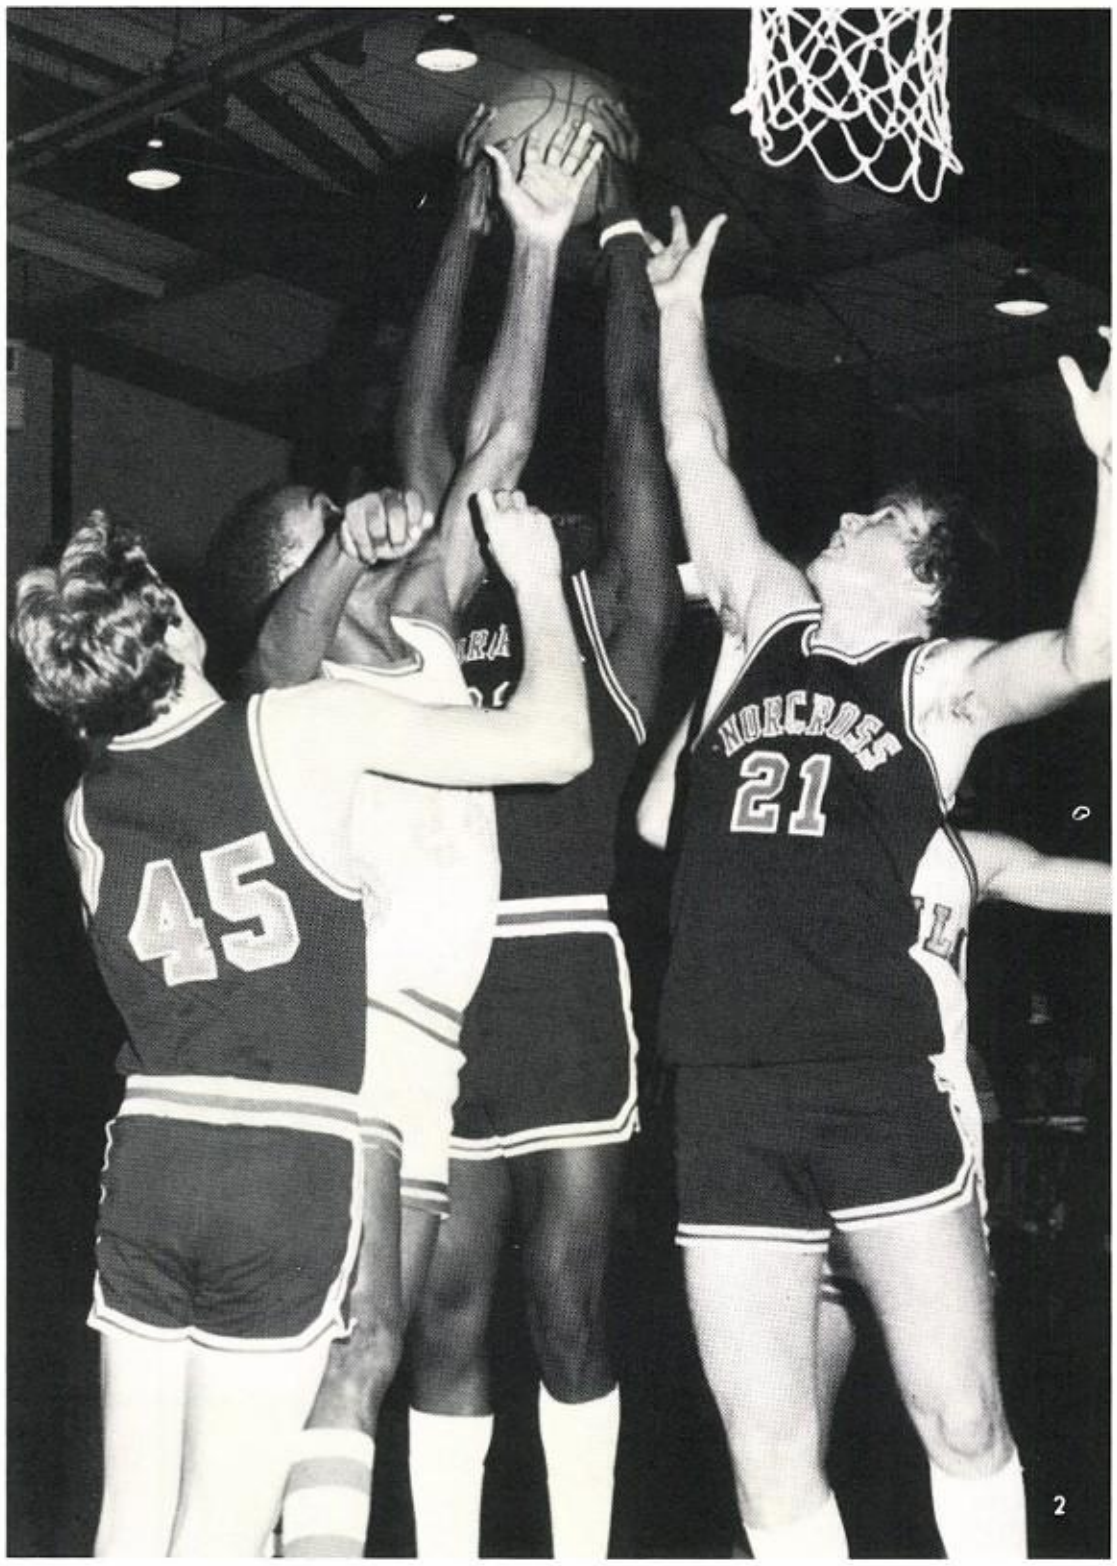
"Varsity" Basketball

The 1981-1982 boys basketball team got off to a slow start. However, it didn't take long for the "Blue Devils" to get started on a winning season. This year's team had very few returning players from last year, but with the help of Coach Norris, the team couldn't help but be a winner. They had their ups and downs just like any team would, but through it all they came through and showed their true color.



The 1980-1981 Varsity Basketball Team finished the season with a record of 24 wins to 4 losses. Their Coach, Dwight Norris, came to Norcross from Lakeside High School two years before to build a winning program. With his emphasis on winning the Devils not only became the SAAA Region Champs but also made it to the Quarter Finals in the state. The '80-'81 season was the best in Norcross' history.

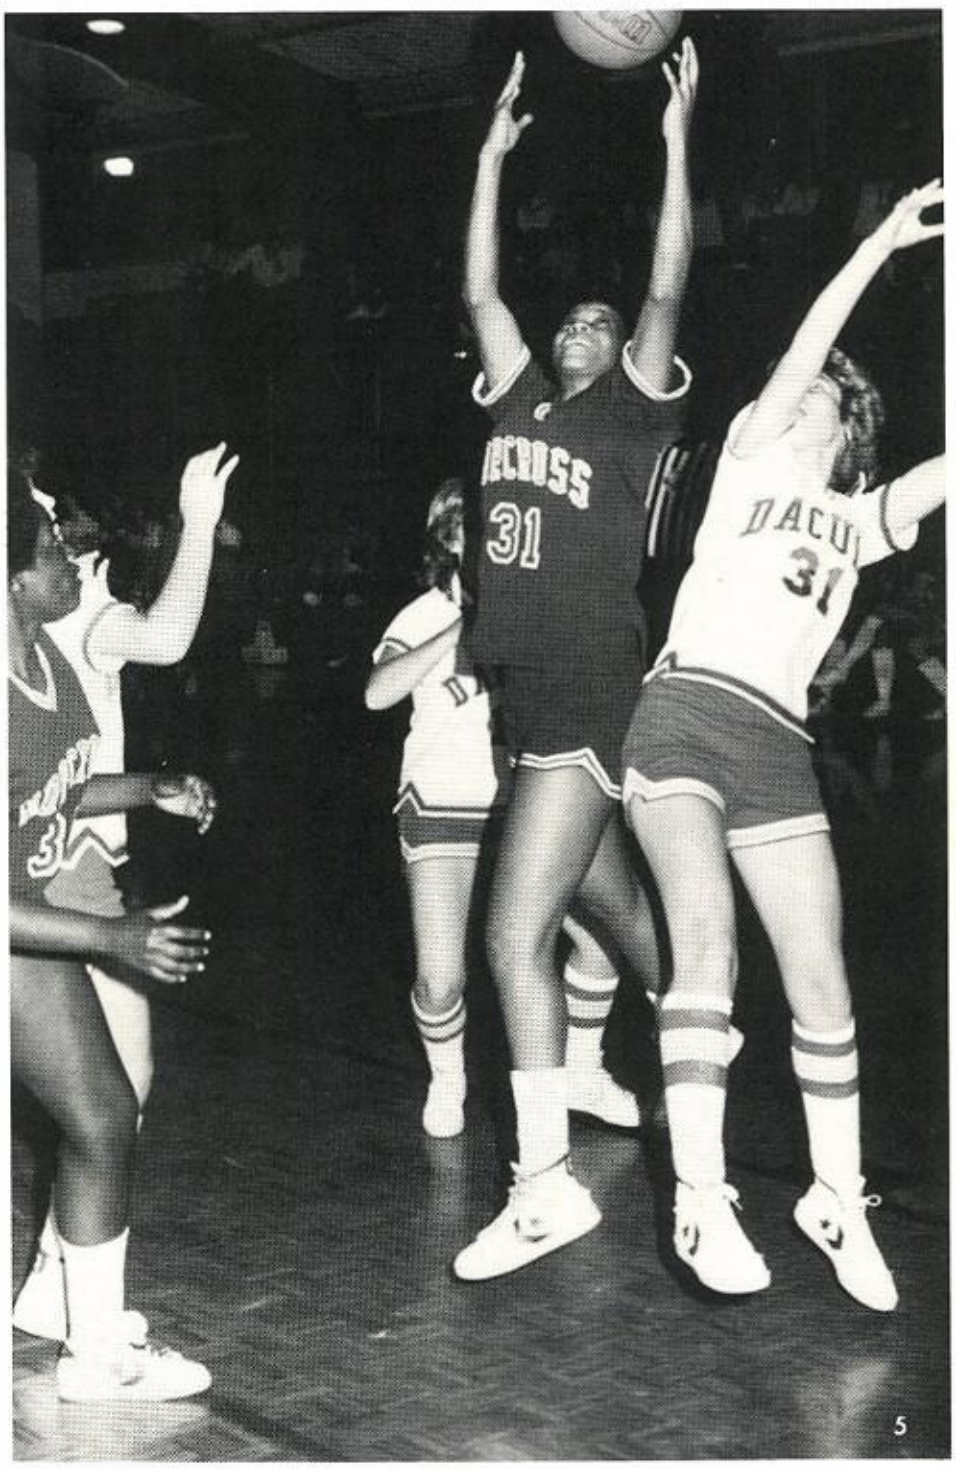
Sink It!



The Devils polished off another win by the overwhelming score of 83-63 against Duluth. The leading scorer was Elbert Manning with 16 points. Tim O'Malley had 14 points and led the rebounding with 10.

Norcross vs. Winder proved to be an easy win. The boys played hard and deserved the victory. Taylor Lackey, Tim O'Malley, and Elbert Manning were the leading scorers with 16, 14, and 13 points respectively.

1 — Bobby Singer scores over the Blacks Knight defense. 2 — Elbert Manning pulls down the rebounds over Taylor Lackey and a Central opponent. 3 — Tim shows his grace and style. 4 — Laurie's got the ball covered. 5 — Phillis awaits to help her teammate. 6 — Lisa and Laurie work hard on defense. 7 — Devils wait for a rebound.



The Lady Devils played an outstanding game against Winder. Winder was defeated by a score of 36-28. Phillis Brundage, the leading scorer, had 11 points. Arthette Caldwell scored 9 points for Norcross.

The girls met with Duluth again in the Christmas Tournament. Needless to say the Norcross girls once again defeated Duluth with a score of 54-47. Laurie Walker was the leading scorer with 15 points. Right behind Laurie were Jill Johnson and Leigh-Ann Davis, both with 12 points apiece.

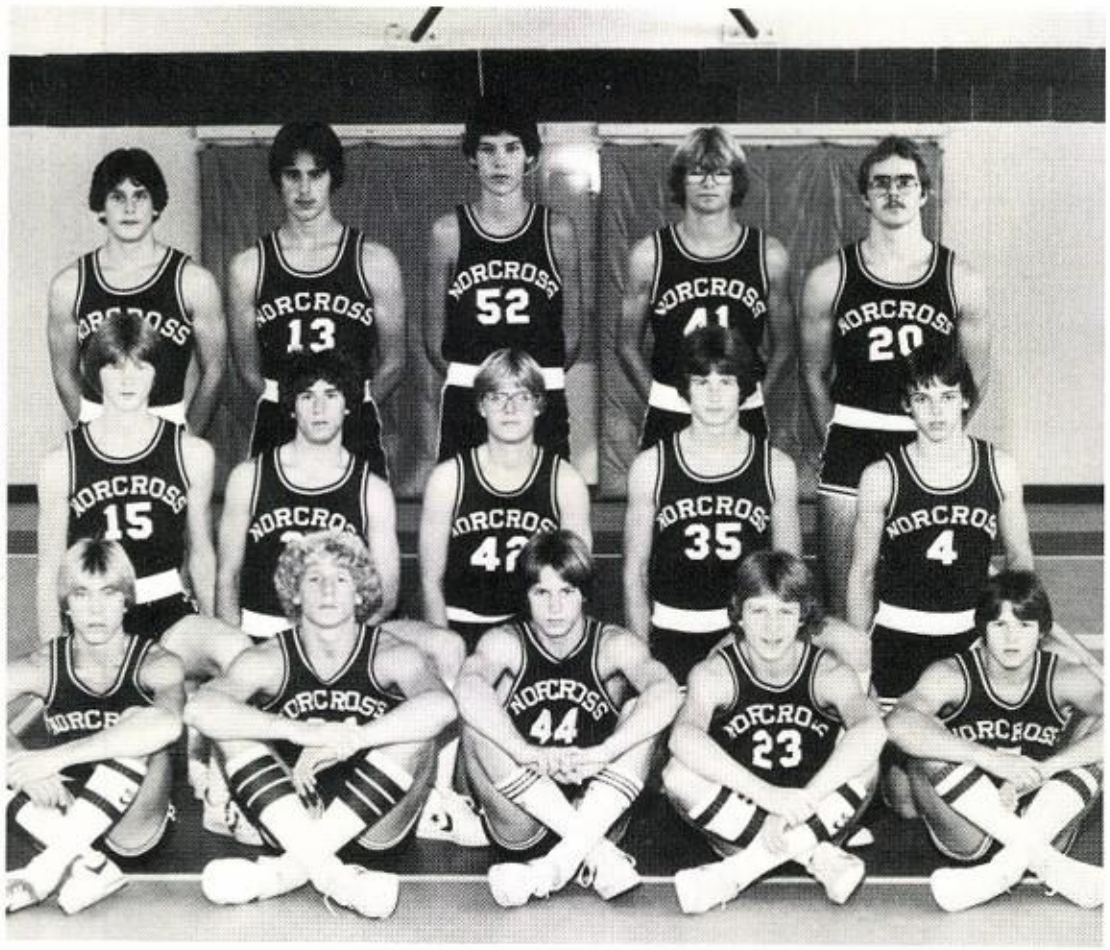
B-Team Basketball

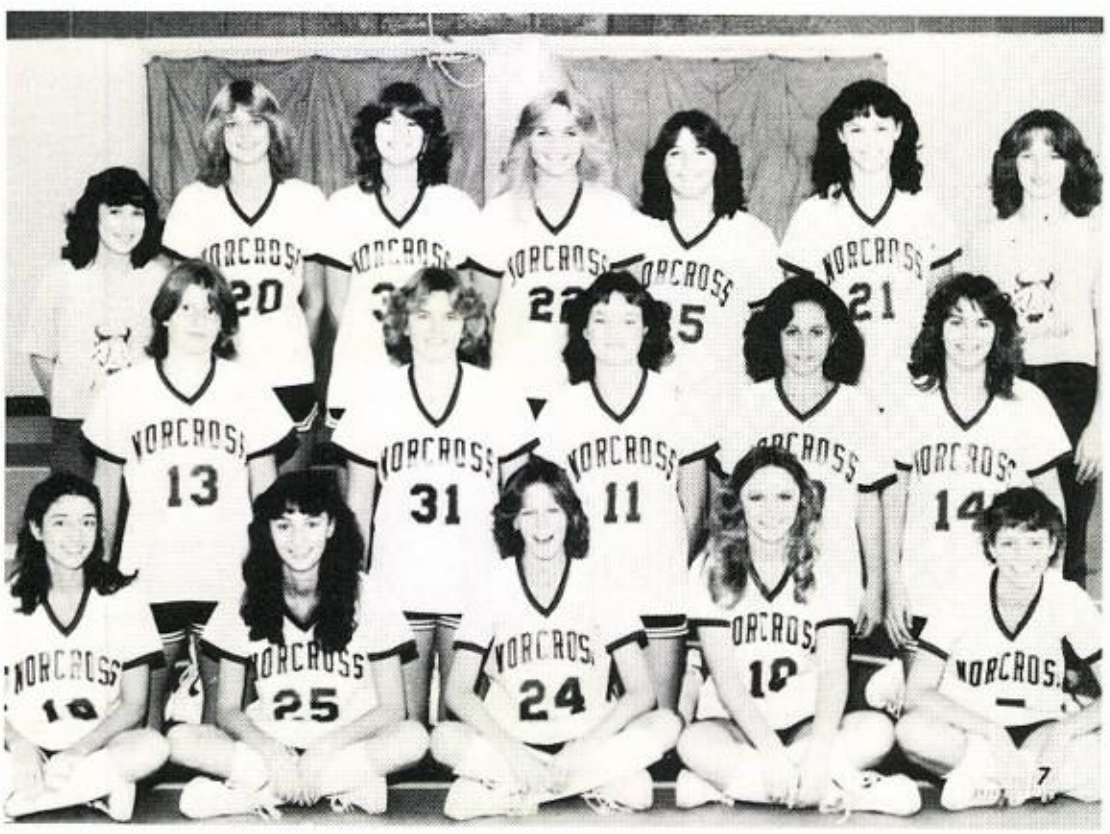
This year's B-Team Basketball players did a lot of practicing plays and defenses to use against unknowing opponents. Under new coaching the boys team, Coach Smith, taught the boys all he knew, plus a little from the Varsity boys' Coach Dwight Norris.

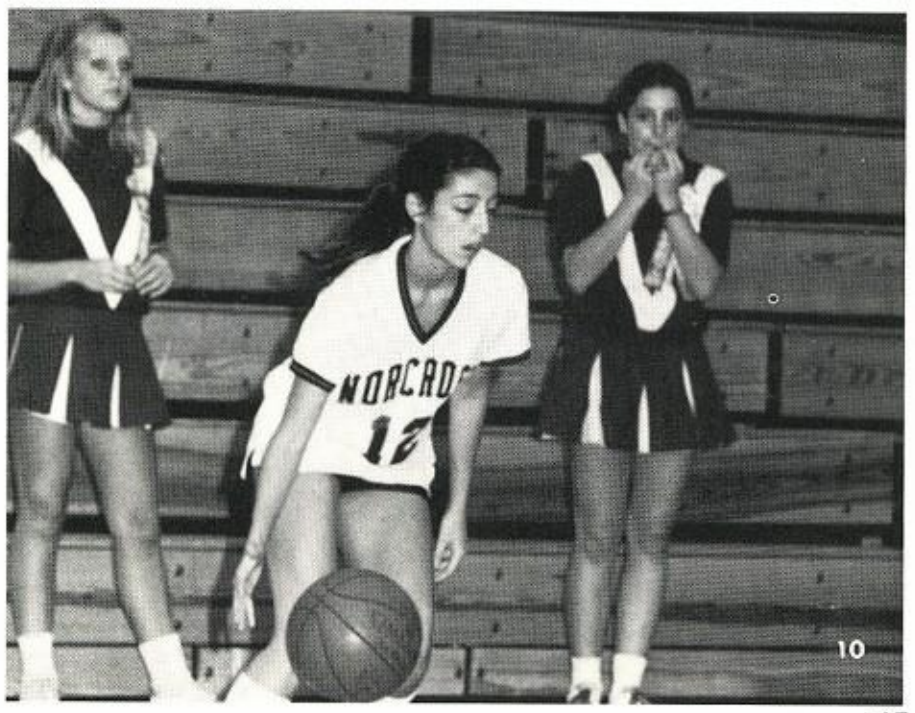
The girls team under Coach Westmoreland also practiced on plays and defenses, even though the girls practiced just as hard as the boys and just as long, they didn't always end up on the winning end of the game.

The ninth grade boys coached by Bob Pridgen had the boys divided into three teams and each got to play some of almost every game. The boys had a knack of having a big finish. Many of their games were won in the final minutes of play by one or two points. The ninth grade girls under the coaching of Jerry Raines also had a successful season. Unlike the boys, the girls came out in the first quarter and got an early lead, and finished a game with a comfortable lead.

This year's B-Team and ninth grade players, coaches, parents, and peers have had a lot to be proud of as they came into each game ready to give their all to the end.







The Norcross Grapplers had a rebuilding year after losing seven seniors. The ones that moved up to Varsity from B-Team had a lot of experience. This year's seniors who are Glen Waits, Scott Seagraves, Greg Davis, Wayne Morris, and Billy Wallace gave the team enough leadership to have another successful season. The dual meet record was once again comparable to past seasons. The wrestling team placed second in the Lumpkin County Tournament, and again placed in the upper echelon of the Gwinnett County Tournament. Again, the Norcross Wrestlers were favored to win the area tournament. The Grapplers were coached by Coach Ranus and Coach Shepherd.

With so many B-Team Wrestlers moving up to the Varsity this year the Baby Grapplers were manned by many beginners. Even with this handicap they posted a winning season. The young wrestlers learned quickly through hard work and dedication. The B-Team Wrestlers showed much promise for future Varsity teams.

Many students participated in the 1982 Track and Field team. These dedicated athletes made the 82 season one to remember. Norcross was represented well in the county, sub-region and region competitions.

The Norcross High School girls track team had several athletes returning from a very successful 1981 season. Many new faces showed promise for Coach Cates. The team made a strong pick for a sub-region championship and held a high standard for future teams.

Baseball

This year's Varsity Baseball Team spent the 1982 season as a YEAR OF REBUILDING. The Devils' hard work and determination helped put the Devils ahead this season, by facing many tough opponents and never gave up. Many of the B-Team players already had one year of experience on Norcross' 1981 B-Team. The 1983 season should be a championship year when they put their experiences to work.

The ninth grade team will have a lot to prove since they are the new bunch at Norcross High.

Composed of many returning players, as well as many new ones, the tennis team came back this year with another impressive record. The team showed more dedication and each players game improved greatly with the addition of the new tennis courts at NHS. Players practiced many long hours on the new courts in preparation for the season.

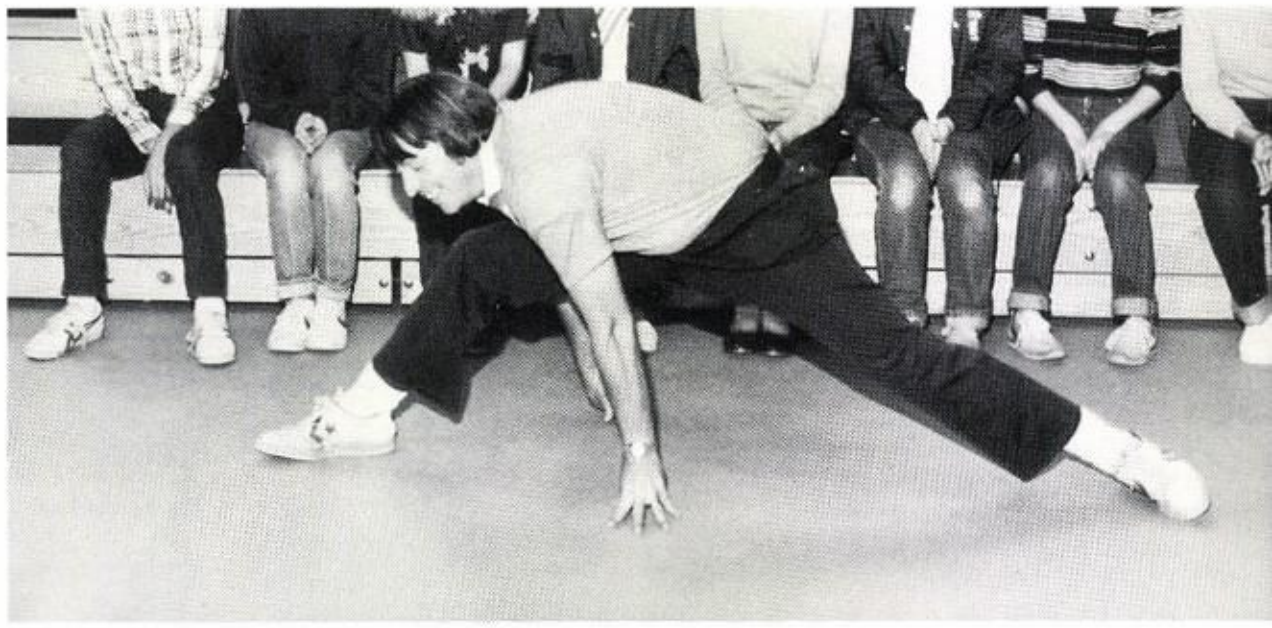
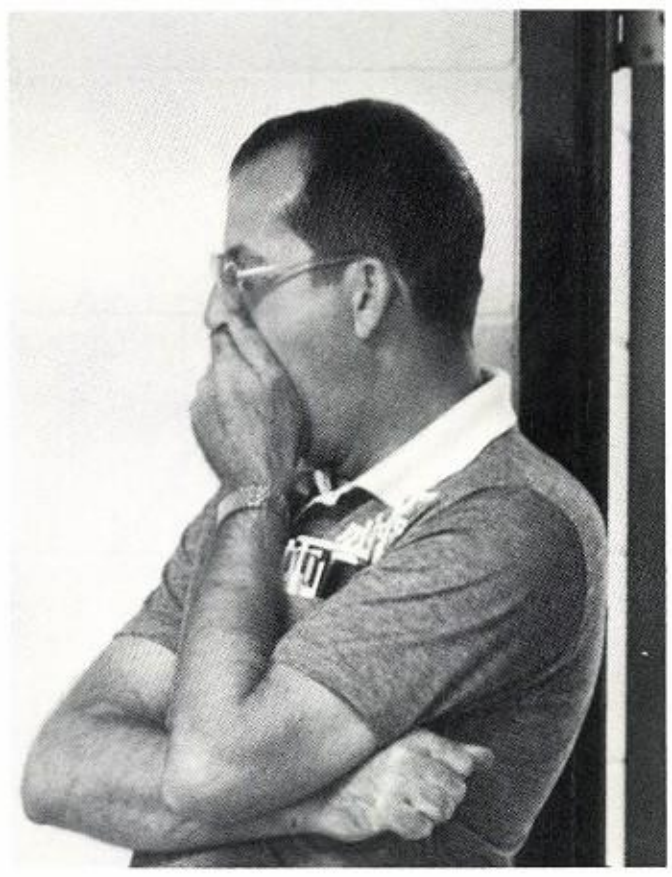
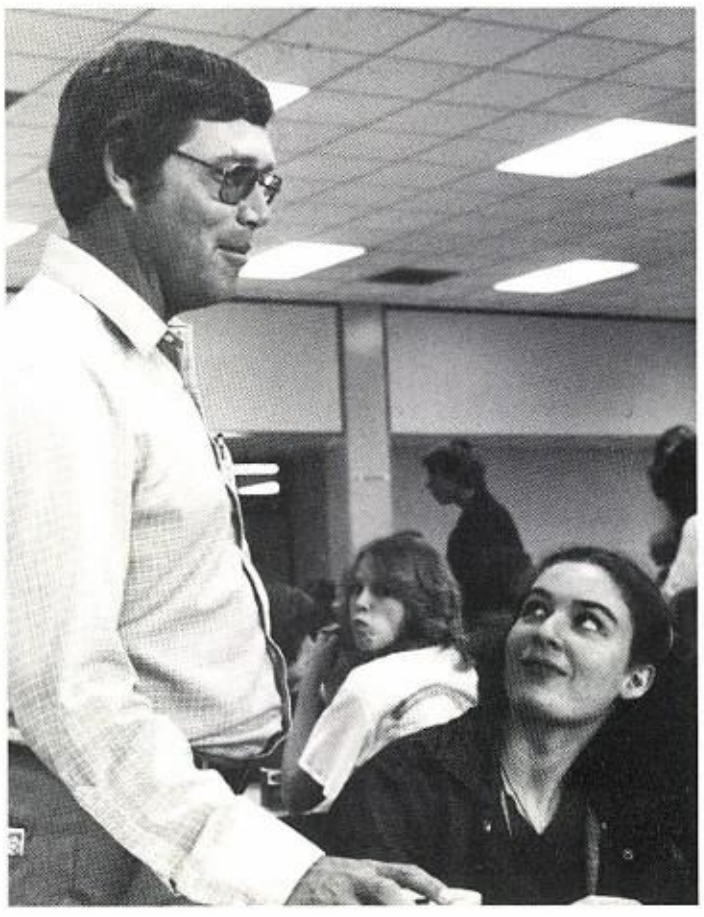
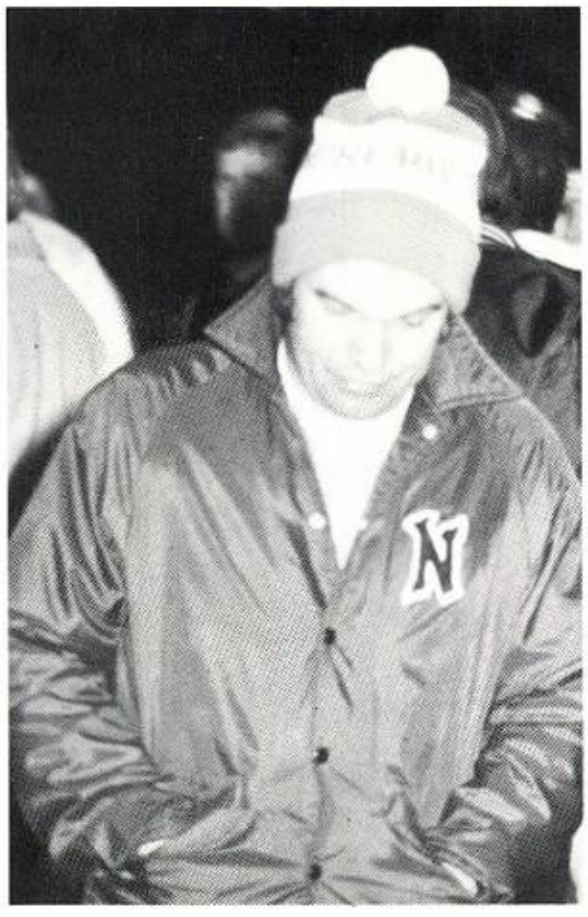
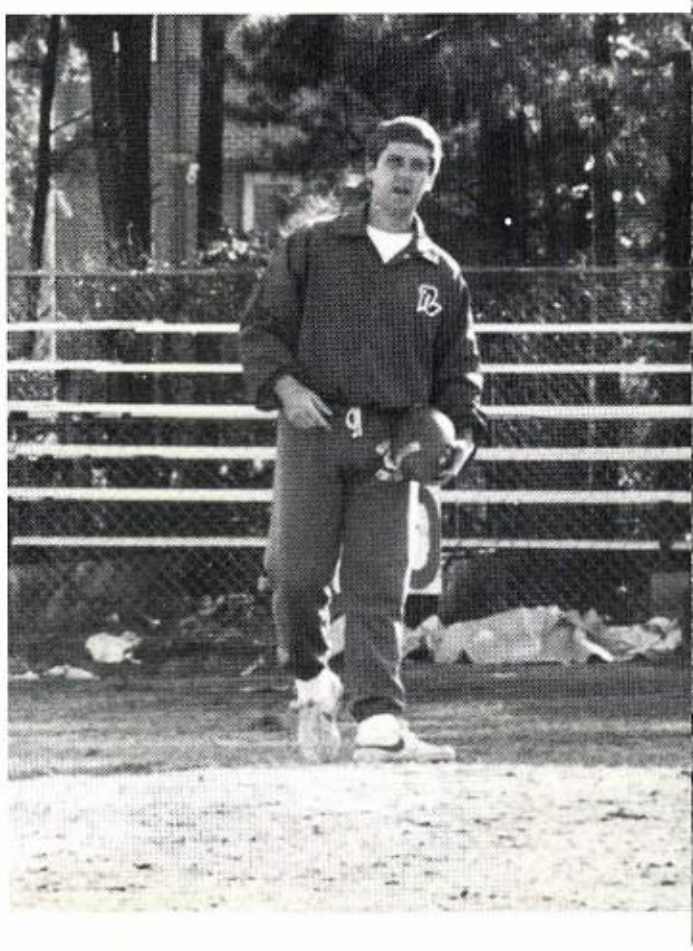
Are These Really



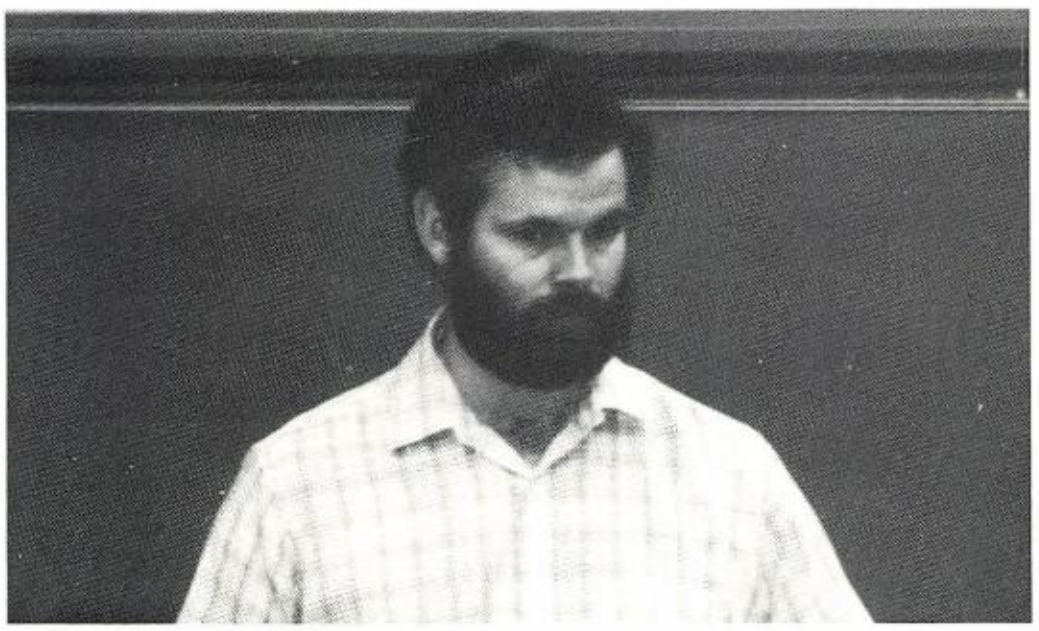


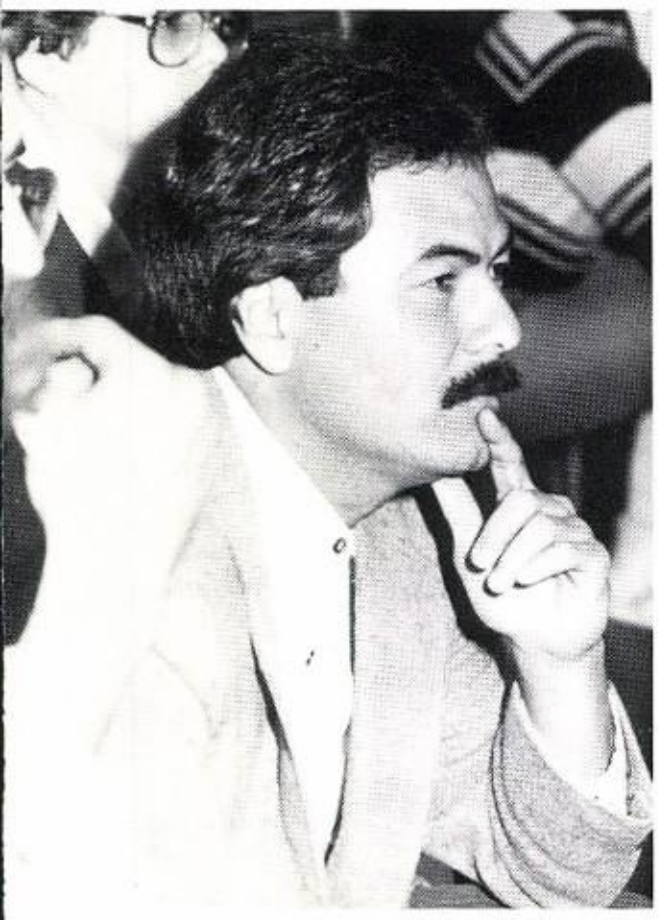


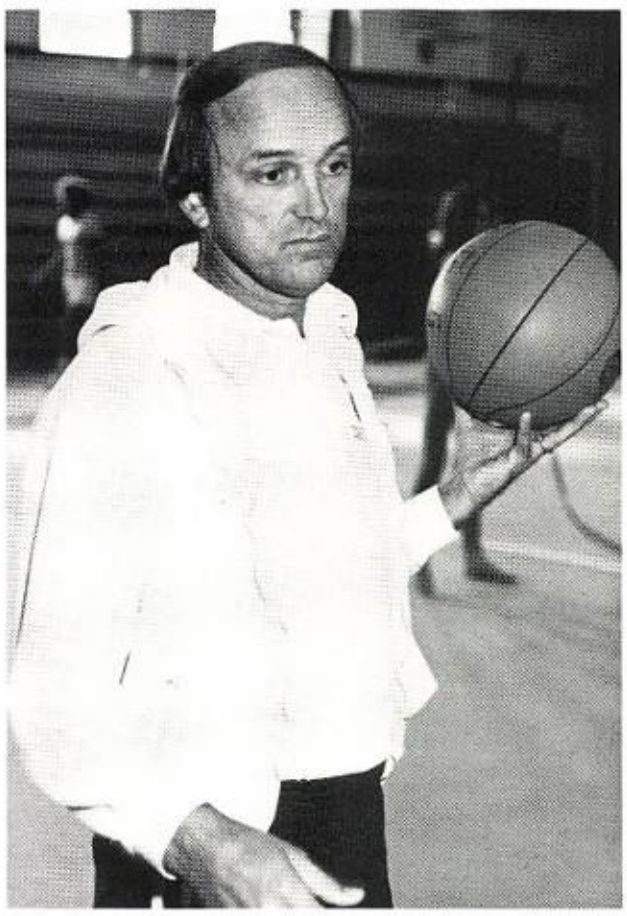


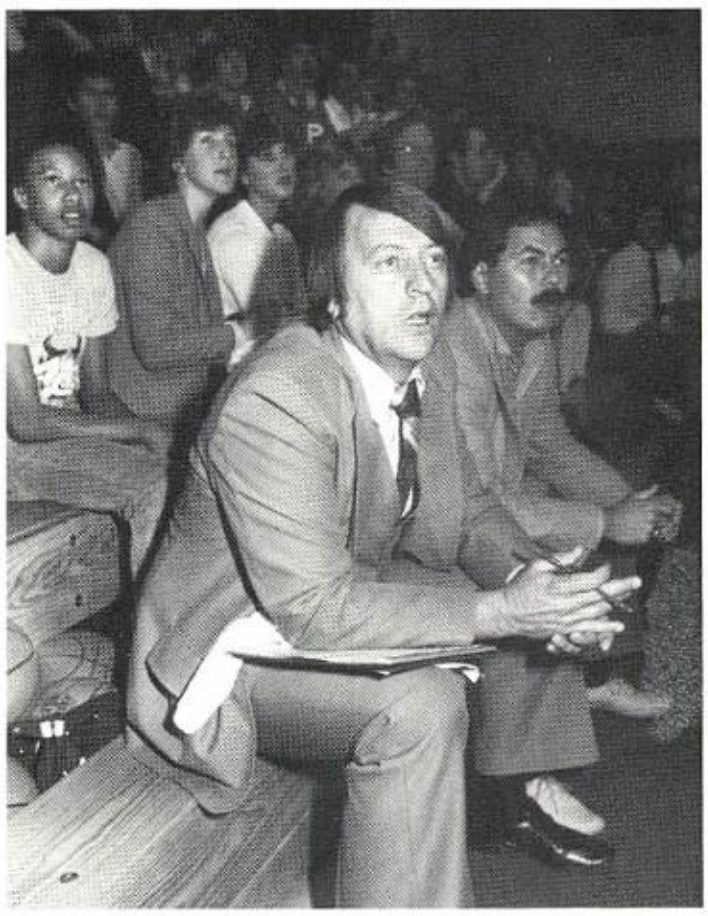


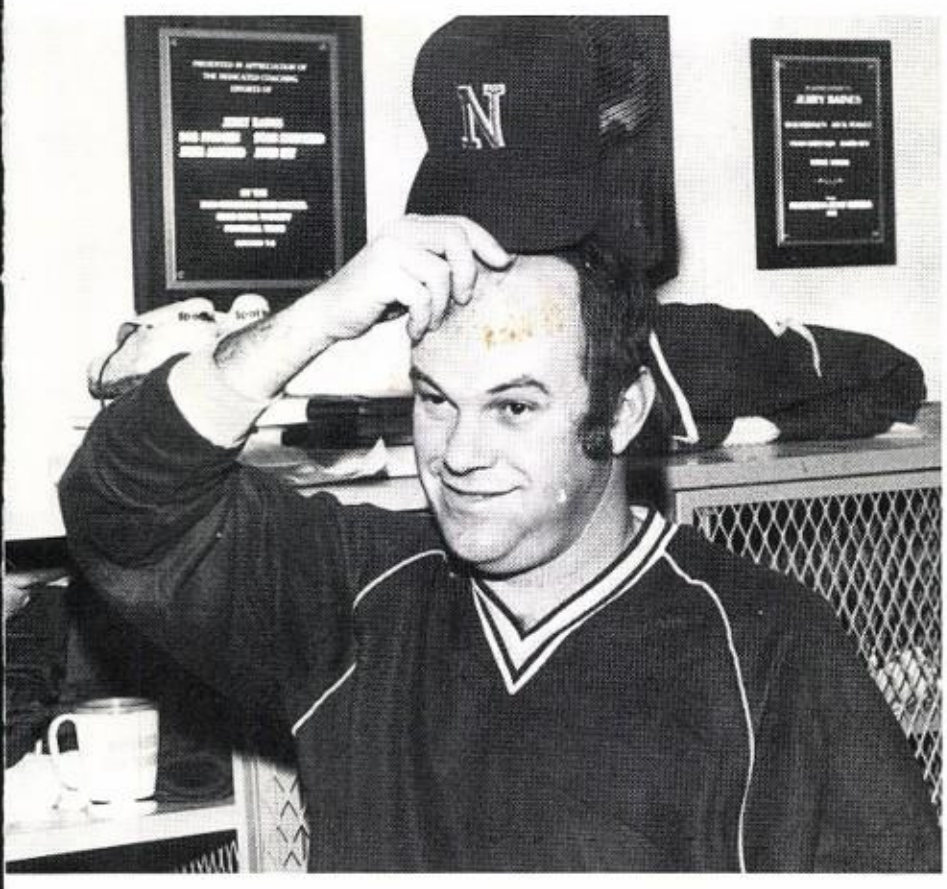
Our Coaches?











The coaching staff at N.H.S. worked hard with the many athletes during the 1981-82 year. The coaches not only had a serious view of their work, but also an easy-going one. They were always around teaching and guiding athletes in the various sports. We should be grateful for the coaching staff, for their long hours and patience, not only with athletes, but also cheerleaders, teachers, and fans. The coaches here at N.H.S. are the best around. We would like to take this time to say thank-you for your endless hard work, and dedication.

Homecoming Queen is perhaps the most honored title at Norcross High School. This year the students at NHS had several worthy senior girls to choose from. The students choose a three-year majorette from the Marching Band and a two year member of the Homecoming Court, Regina Paterson.
Besides being a feature twirler for the band, Regina played flute during concert season. She was very involved in home economics and made her own clothes. Regina Patterson rightfully deserved the honor of being elected Homecoming queen of 1981.

ORGANIZATIONS

Student Council

Norcross' student government organization, Student Council, served many purposes for the student body at NHS. Their primary goal this year was to represent the students that elected them and to try to work with the administration to improve Norcross High School.

Many activities were under the direction of the Student Council. They were in charge of much of the Homecoming festivities including the Homecoming Dance. They held a Run for Fun as well as many other activities that go unnoticed, but are supportive of the school.

The students that make up the Council are special people with a desire to help others. Thanks to their leadership under Mrs. Thomas, many improvements were made at NHS.

Spectrarama

In the spring of 1981, a group of students from various activities and organizations around the school volunteered to put the 1982 Spectrarama together. Through selling ads, Yearbook Camp at Georgia Tech, three different advisors, and many other hardships, this group put together a dynamic yearbook.

Sam Letson and Deneen Johnson guided this crew through the daily problems with layouts, photographs, and copy with distinct precision. Through their leadership, and understanding of the sponsor, Mrs. Westaway, and the hard work of the staff and photographers, the book arrived.

Yearbook Day was a fantastic event for everyone at NHS. But for that dedicated group it was a relief and a feeling of satisfaction.

Advocate

The newspaper was a welcome sight to any bored student during the long weeks of school. Without the Advocate's monthly publication, many students would have simply daydreamed through each class, but this wonderful publication brought life to the school day.

Mrs. Maddox (the new one) led this staff through the building of a newspaper, while Editor Chip Dunn kept the staff working. With the addition of a staff photographer, the paper came alive with scenes from Norcross High School.

Hard work, with a bit of creativity, made the Advocate a success. The staff was greatly appreciated for giving NHS such a fine publication.

National Honor Society

6

This year's National Honor Society was perhaps the most active NHS at Norcross. By having a state officer in the club, they were able to keep up with the most recent state-wide happenings.

Along with the Flower sales, the club had a picnic with the Beta Club and helped a number of needy families during Georgia National Honor Society Week in December.

Several Club members and the sponsors, Mrs. MacDevitt and Ms. Withrow, went to the State convention on Jekyll Island April 22-24. The convention did much to bolster state unity and gave Norcross chapter an opportunity to learn more about National Honor Society.

Beta

Beta Club did an excellent job this year at Norcross High School. As in past years, this club handled Honor's Night smoothly and managed to raise a large sum for the Beta Scholarship.

In order to raise money for the scholarship, the club sponsored the Gruesome Twosome contest and showed a movie.

The members of the Beta Club were required to keep a GPA of 90 to remain in the club. Mrs. Williams and Mrs. Odum helped the organization move with ease and work in a manner of which NHS was proud.

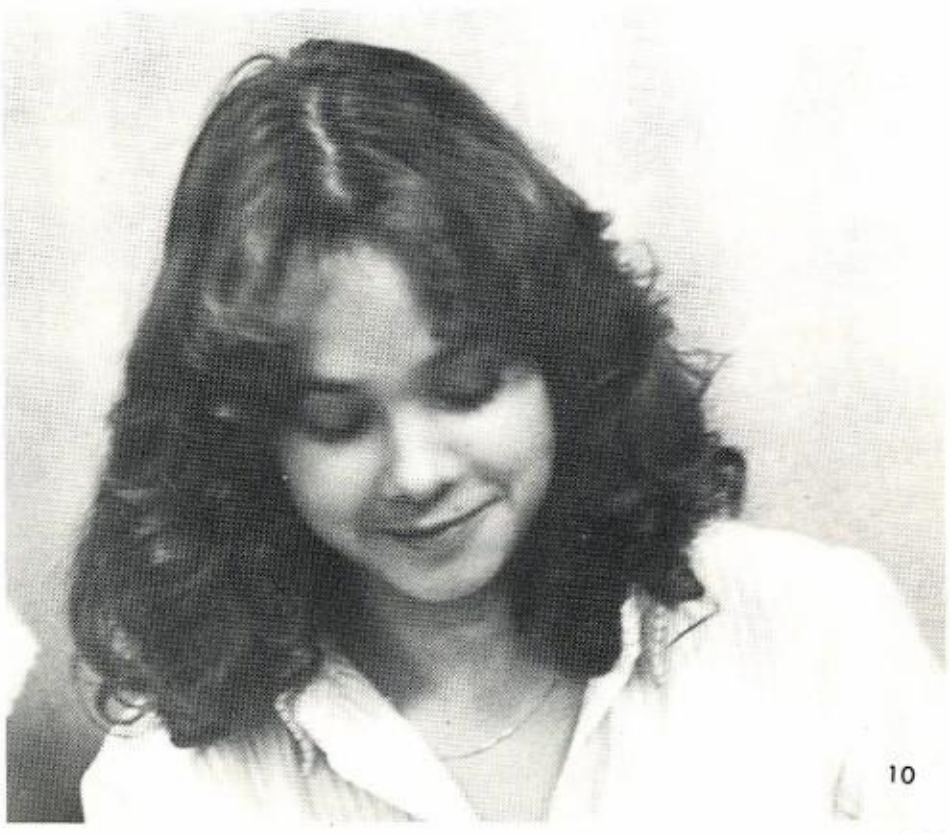
Junior Civitan

During its third year, the Junior Civitan club at NHS was one of the most active clubs. They held two blood Drives and collected money for many community organizations. They sold Ghostly Greetings, trash bags, and collected money on Yellow Ribbon Day.

In the spring they went to State Convention in Panama City. There they learned about the Civitan purpose, to help others. The sponsor, Mrs. Barnes, led the officers to guide the club in a manner that showed Civitan as well as Norcross pride.



Debate/VOCA

Norcross' Debate Team worked hard this year in preparation for Literary competition in Debate. Points from this event were needed for the school of the Year Award.

The sponsor, Mrs. Thomas, pushed the team to increase their chances for success.

Vocational Opportunities Clubs of America at NHS was very active in fund raising and having fun. The students learned a vocation at school in this organization. Mr. Peeples devoted his time to this club.

Y-Club

Y-club was Norcross' new Christian founded organization. Their purpose was to promote moral qualities at Norcross and the community.

Most activities of the Y-club were contained in their weekly Bible study at Mrs. Ramsey, the sponsor's house. During football season they were in charge of the pre-game prayer.

Interact

In its second year, the Interact Club increased its services and became a more active group. Included in their activities were voter registration drives, volunteer work at home basketball games, elementary schools and the community.

Mrs. Maddox, the sponsor of this all male club, guided these young men to help many people in need around Norcross.

In May, they went to State Convention on Jekyll Island and learned much about Interact's purposes and goals.

Thespians

What is a Thespian? Many students wanted to know. The Thespians at Norcross were a group of very talented students that had that needed flair to be actors.

In order to become one of this zany group of audience-starved students, one needed to have participated in enough dramatic productions to earn ten Thespian points. Mrs. Parker attempted to guide these talented teens to one-act competition, State Convention and through a musical in the spring.

Several of the Thespians from Norcross have had success in college productions and in professional productions. These fine actors are just a sampling of the talent of this organization.

Only Thespians were involved in this year's one-act. "Next" was presented at Literary competition in December. The play carried the Norcross tradition of excellence very well.

Theater

In theater there were two major plays presented. These shows were open to the whole school. The Children's Theater was an original geared toward elementary age children. The play toured area schools.

"Oklahoma" was a tremendous success last year and actually made a profit. Auditions showed tons of talent throughout the school, but only the best were chosen.

Marching Band

Probably the largest organization at Norcross, the Marching Band, was also one of the most active. Through the year there were three different bands in all as well as three aspects of a color guard.

During football season the Blue Devil Marching Band performed at all football games and competed in three contests. Under the direction of Mr. Snyder, the Band of Blue was rated excellent.

4

Color Guard

Although not instrumentalist, the color guard was a very important aspect of Norcross' Band. The color guard was composed of three different groups.

Sixteen young ladies worked to perfect their flag twirling routines. With the help of Mrs. Snyder, they polished and perfected their show enough to receive a superior rating at Festival.

The rifles started the year as a five girl team, but added a male rifle. Because of many hours of work, the rifles also received a superior.

Two seniors composed the corps of feature twirlers. In their third year together, these young ladies brought astounding beauty and finesse to the field.

Jate,

Well what can I say? I am really glad that I have met you this year. It has been great knowin ya, and it was a real blast in Dolvin's class even though I'm not in there anymore - I wish I still was in a way - but I just got sick of it. We used to have some great times in that class though - even though we did always get in trouble or get moved for talking. It was also real fun riding the bus home together - even though I don't do that anymore either. Well only one more week and we are out of school. I hope that we have many classes together next year. Well I guess that's about it. Youre a real sweet guy and I hope to see ya over the summer. Just think you can come and visit me at "McDonaldland" that is if I'm still working there - but I probably will be. Have a great summer.

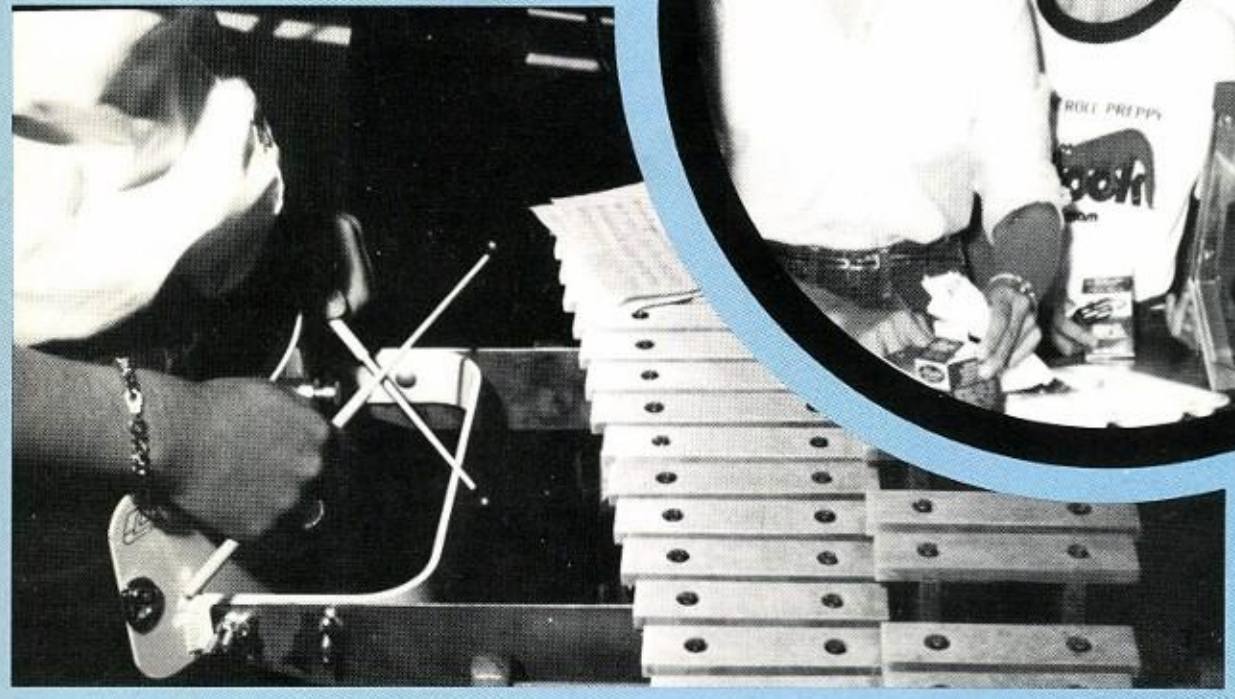
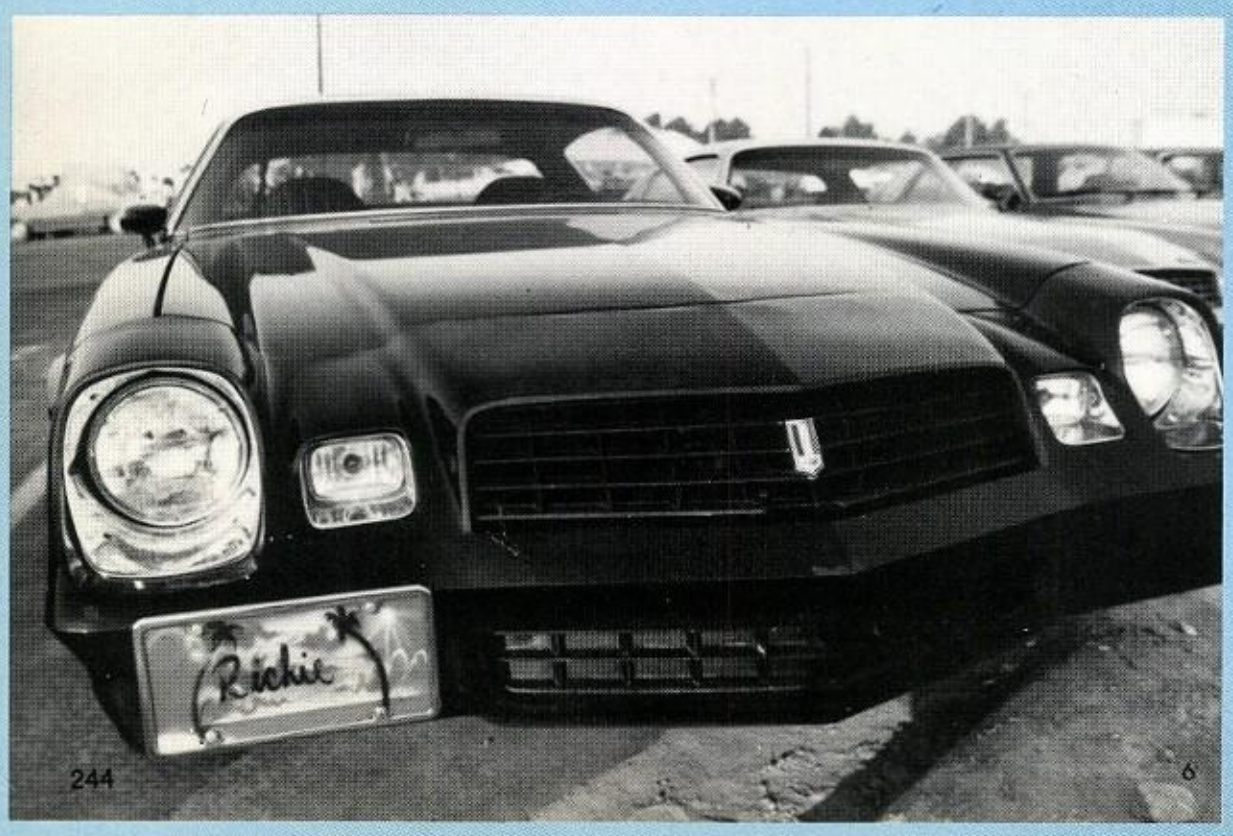
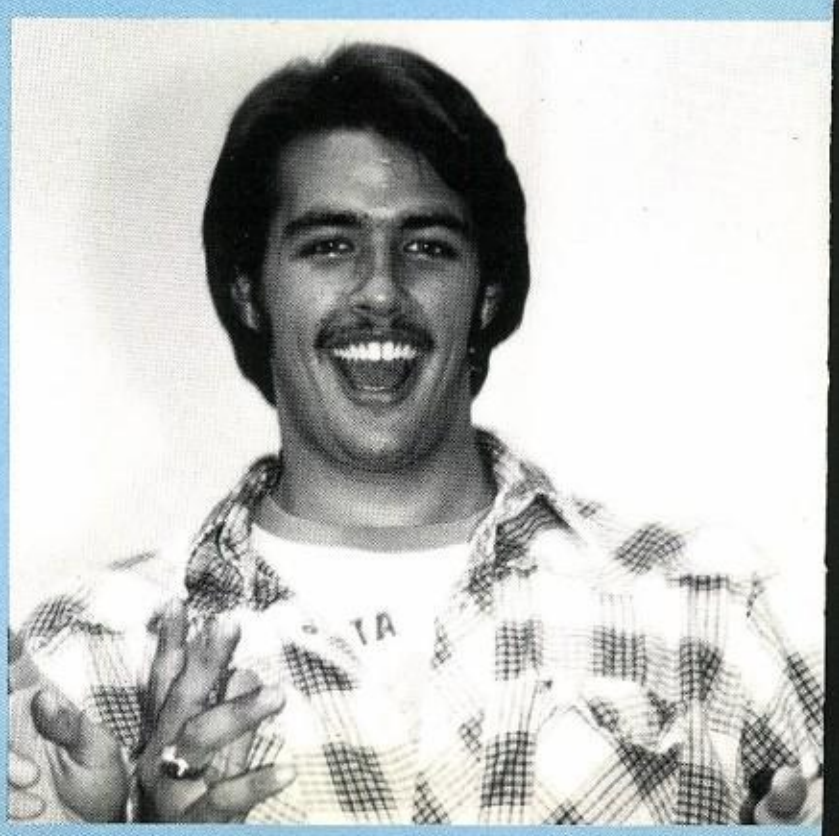
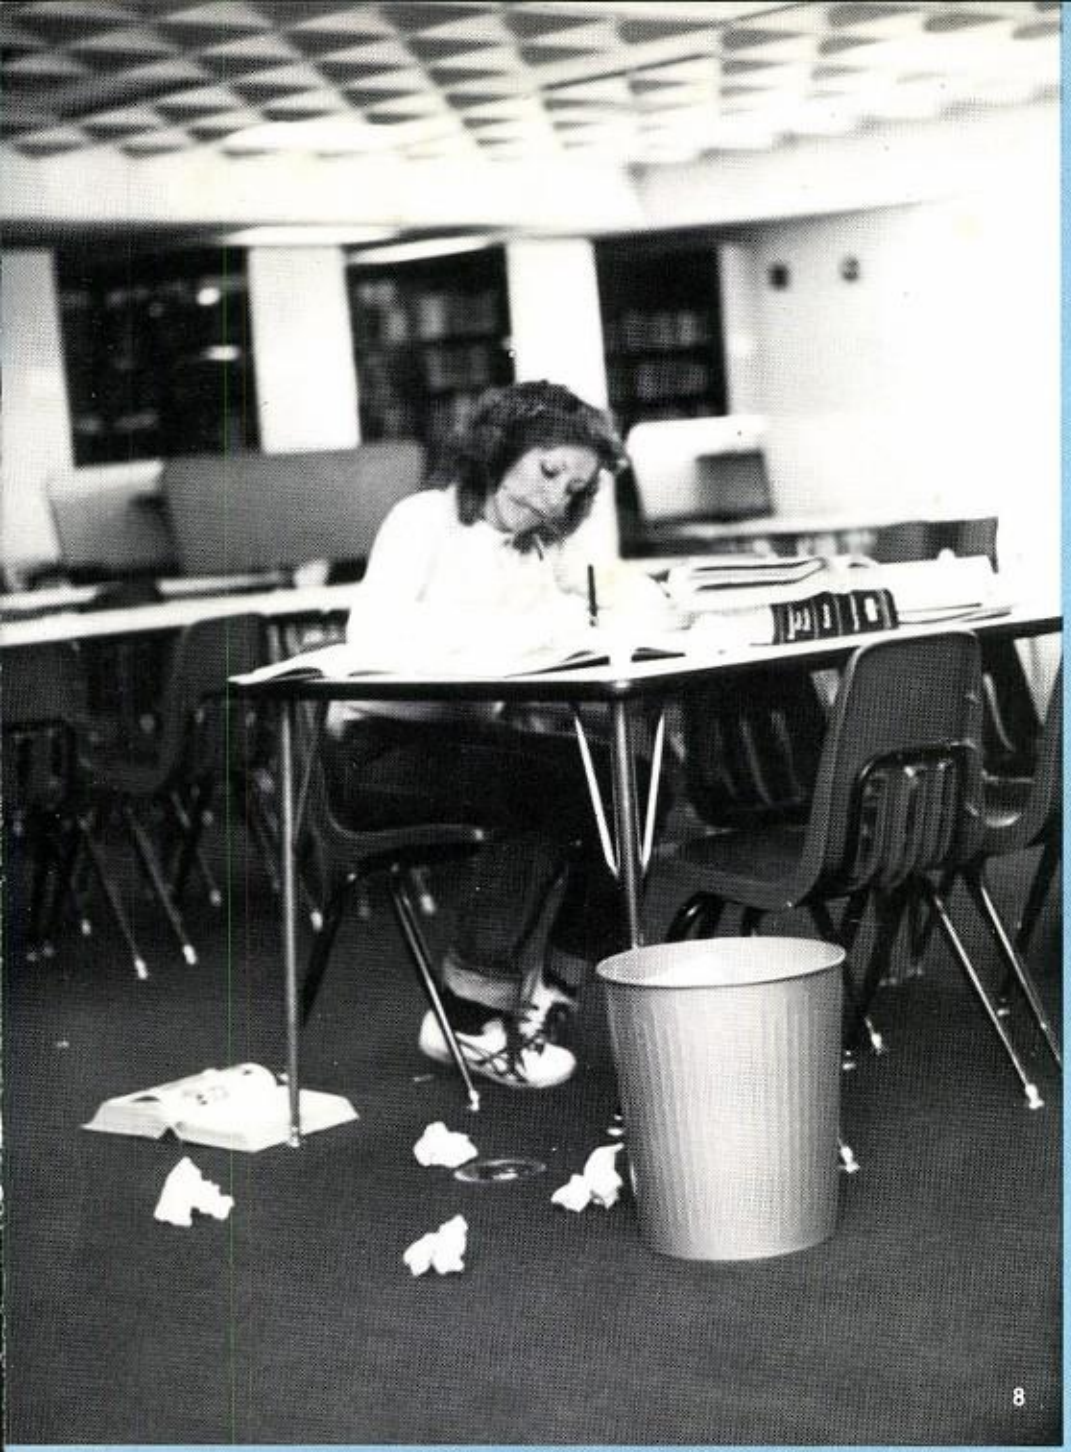
Turning

1 — Becky, Susan, Stacy, Stacie and Jill pose for a quick shot. 2 — Lunch is a great thing. 3 — Circle — Sophomores all eat lunch together. 4 — The bells add a new sound to the band. 5 — Mrs. Johnson instructs her class on how to dance. 6 — Richie's car shines in the sun. 7 — Scott Curtis grew *two* more hands. 8 — Debi Soden (better known as Sodence) tries to look like she's working. 9 — Tony studies during lunch. 10 — Lunchroom ladies preparing the menu. 11 — A student paying attention to learn new things. 12 — Zana talks on the phone at lunch. 13 — Kay Gaddis leads the fans in a cheer. 14 — Mark ends his performance.

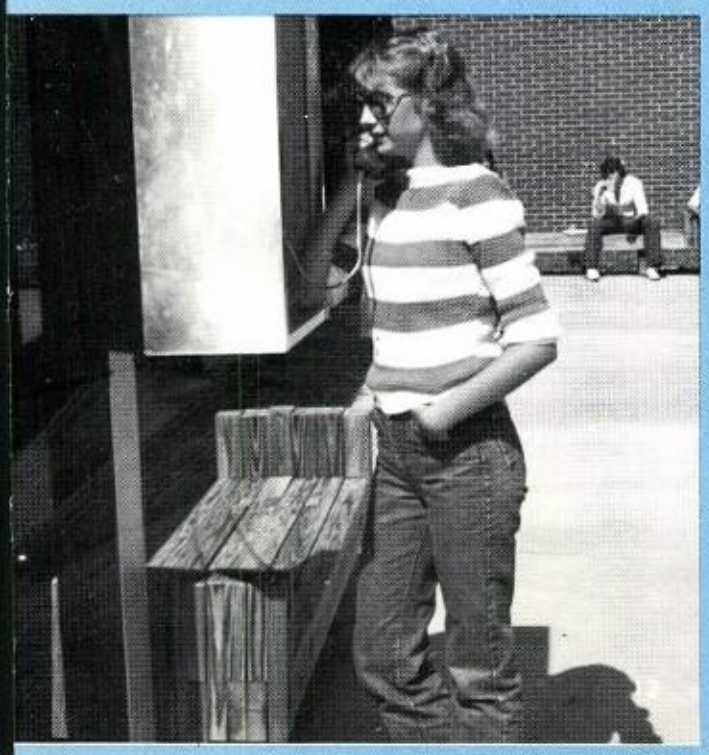




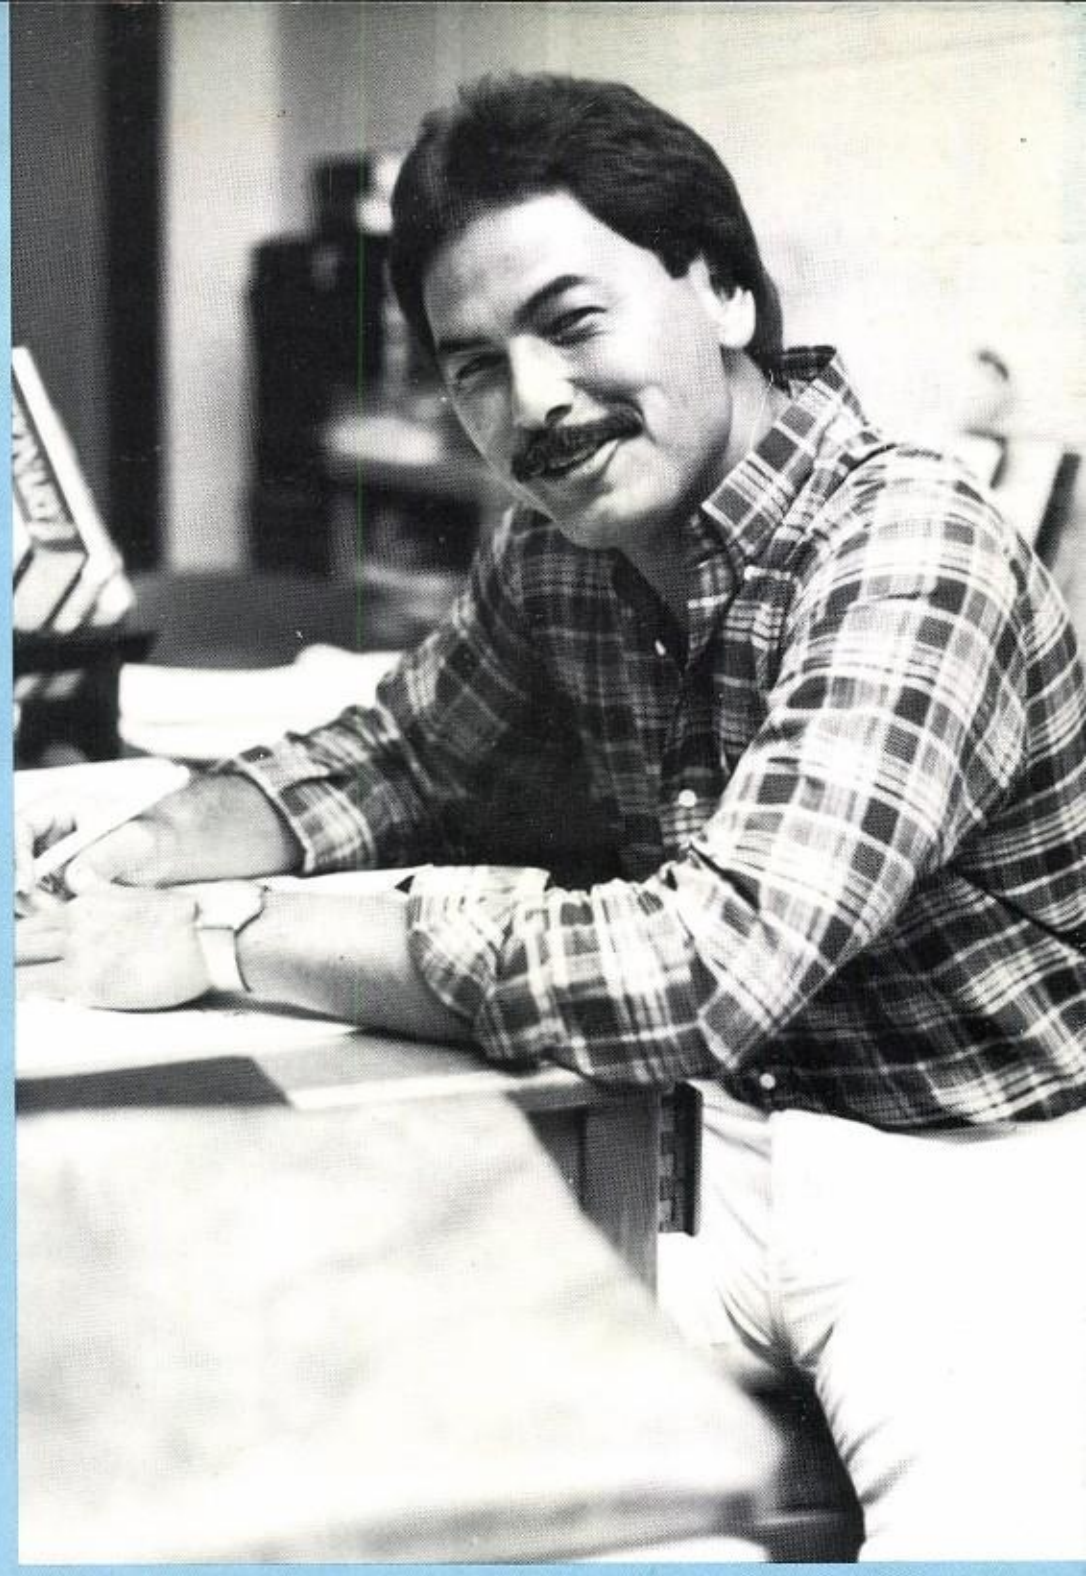




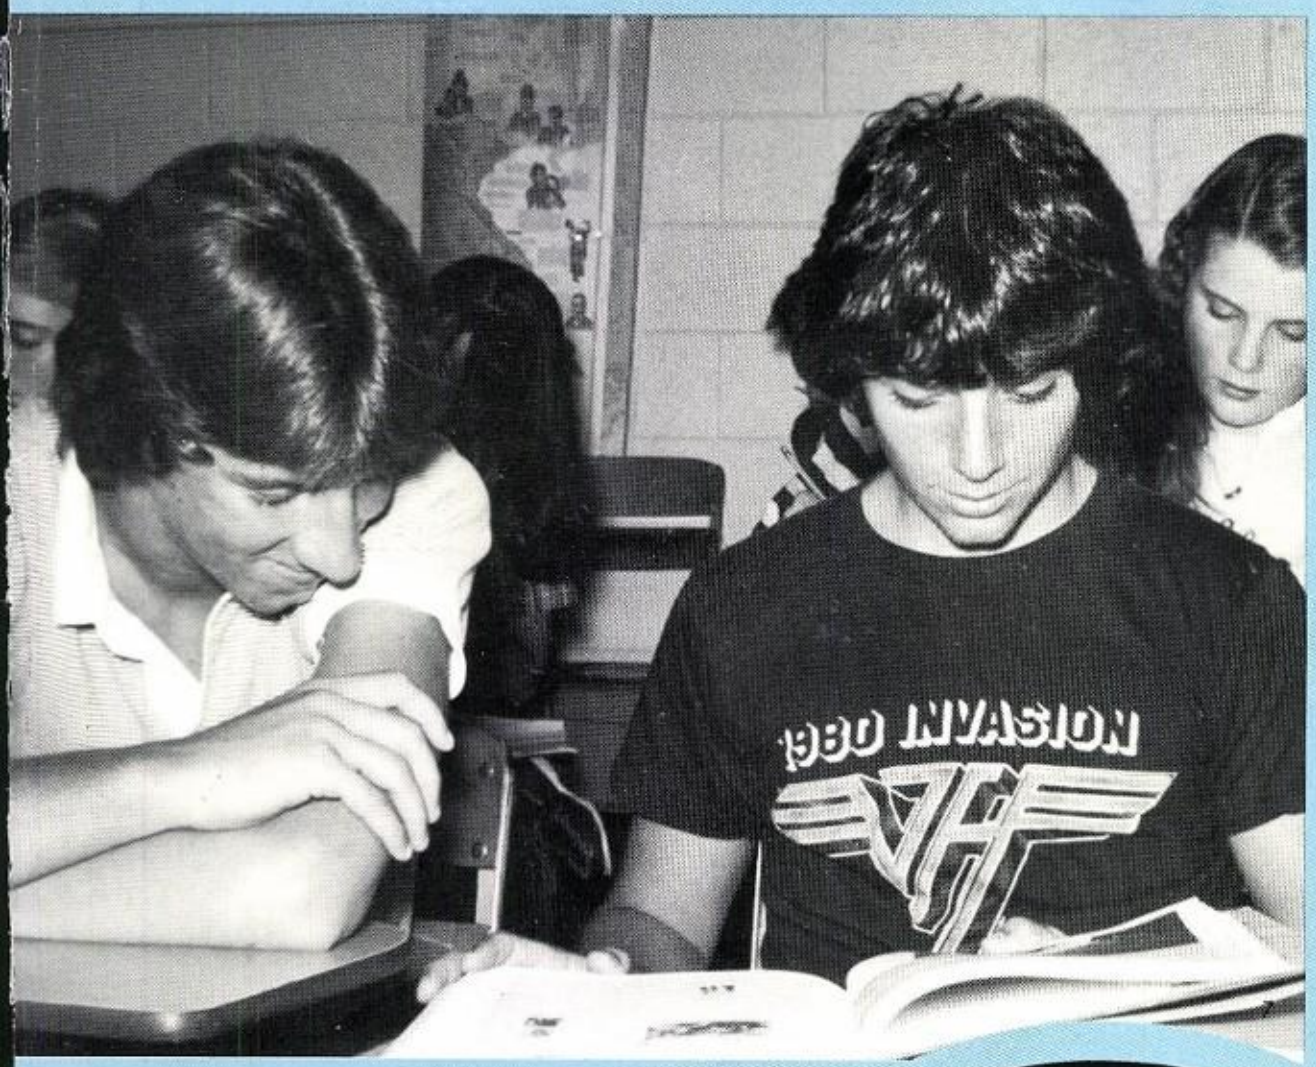
Every turn of the kaleidoscope gives way to a new design. By turning the kaleidoscope you see many different shapes, forms, and patterns. Each design holds something special for everyone. Turn after turn moves the pieces into creations, just as day by day changes students of Norcross High School.



The Kaleidoscope still shows slightly different, but familiar patterns as when times were new and fresh. Hundreds of pieces show picturesque colors and shapes that give security in knowing times have not changed. Every piece holds a special memory that will remind us of pleasant days at N.H.S. Changes in our life will occur sooner or later as time progresses, so we should all take one day at a time and enjoy different things we do each and every day.



Changes



1 — Coach Smith smiles for the camera. 2 — 1982 — the year of changes. 3 — Rooms aren't always noisy. 4 — Ju-chen leads band in the fight song. 5 — The drum corps shows their talent. 6 — Sewing student cuts out a dress. 7 — Shawn and John work together. 8 — Ms. Swift explains the lesson. 9 — Alan decides on which lunch he prefers. Circle — Jeff works hard on Trig. 10 — Science student works on homework. 11 — Mr. Snyder directs the band.
